## About the Calgary Booster Club

Founded in 1951, the Calgary Booster Club has a rich history of:

- \* promoting the development of amateur sport
- \* awarding scholarships and grants to support developing athletes
- \* recognizing and celebrating the work and dedication of the volunteers that make amateur sport successful for the youth of Calgary
- \* providing grants to assist local amateur sport teams in delivering quality sport programs for their athletes

Annually the Calgary Booster Club recognizes over 375 athletes and awards over \$70,000 to assist developing athletes to pursue their athletic and academic goals. Recipients come from all aspects of amateur sport in Calgary including: the National Sport School, senior high schools, post-secondary institutions, and local, provincial and national sport organizations operating in Calgary.

These scholarships and awards are unique in Calgary. The Booster Club, consisting of 3 dozen members, is the only group that recognizes and provides financial assistance to this broad spectrum of Calgary amateur athletes.

Your financial support to the Calgary Booster Club is essential to the sustainability and enhancement of these important support programs.
