PRESIDENT'S MESSAGE

BILL NIELD

On behalf of the Directors of the Calgary Booster Club, it is my pleasure to welcome you to the 24th Annual Sportsmen's Dinner.

During the past year the Calgary Booster Club has been very active in several new and exciting endeavors as well as maintaining our many other worth while projects, most of which are listed in the program on page 8. While we are proud of these activities, the highlight of our year is this evening, the night we have chosen to honour Bill Phillips as the 1979 Sportsman of the Year. Bill has given freely and unselfishly of his time over the past 50 years affording to the amateur athletes of this city the opportunity to participate in their chosen sport. Bill's dedication to amateur sport goes beyond the benefit to the athletes he has worked with to include a benefit to the City of Calgary as a whole.

We have also chosen to honour John Simpson, Sandy Drever and Holly Jackson-Pederson, all of whom have excelled as a participant in their chosen sport. It is hoped that the recognition afforded them tonight will in some small way help them to achieve greater success in their chosen fields and that they will be able to pass on some of their skills to other participants.

We are also honouring Bob McNichol, Ken Marchand, Jack Kenyon and Joan French whose athletic leadership has been a source of encouragement to many of our fine young athletes. The citizens of Calgary should be very proud of these people who have given, for many years unselfishly of their spare time.

In addition each year we of the Booster Club look for an achievement by an amateur athlete which we feel is worthy of particular recognition in the form of a Special Achievement Award. This year we are extremely pleased to recognize both Helen Vanderburg and Michelle Calkins as world champions in their sport of Synchronized Swimming.

The Directors of the Calgary Booster Club are very proud of the people we honour tonight. We are also proud of you, our supporters and advertisers, whose help has enabled the Calgary Booster Club to continue its efforts in the development and encouragement of amateur sport. We also wish to express our thanks to the members of the Calgary sports media for their continued support and encouragement.

This is a night to honour Bill Phillips. We hope you enjoy the evening.

1979 SPORTSMAN OF THE YEAR

BILL PHILLIPS

SPORTSMAN OF THE YEAR

For many Calgarians, athletes and spectators alike, the familiar face of Bill Phillips has been a fixture at minor sports events in this city for the past half-century.

Born in Glasgow, Scotland 66 years ago, Bill travelled with his family while only 7 months old to Calgary where he has made his home ever since.

While he was a very active participant in amateur athletics as a youth, Bills major contribution to athletics in this city has been as a trainer and a leader in the treatment of athletic injuries. Although Bill never limited his efforts to any particular sport his primary involvement was in football at all levels, including a brief stint with the professional Stampeders and in hockey at the Junior "B" and Juvenile "A" level where he served as trainer to the whole league, attending hundreds of games and giving invaluable assistance and encouragement to the many young athletes taking part.

A trainer is truly a man behind the scenes. Throughout the years Bill has given unselfishly of his time and effort in maintaining strong, healthy young athletes and he has been a welcome sight on the field of play and we of the Booster Club take great pleasure in adding the name of Bill Phillips to the distinguished list of "Sportsman of the Year."

Sir Winston Churchill
High School**

CALGARY BOOSTER CLUB HOCKEY SCHOLARSHIPS

One year's tuition is provided to outstanding members of the University of Calgary Hockey Team. These scholarships are awarded on the basis of scholastic achievement, sportsmanship, leadership and hockey ability.

The Booster Club congratulates the following scholarship winners.

Derek Spring
Terry Johnson

SCHOLARSHIPS

The Booster Club has a program to award Scholarships to students attending Mount Royal College, S.A.I.T. and the University of Calgary who have made outstanding athletic and/or service contributions to amateur sports in Calgary.

For the 1978-79 academic year, the following people were chosen recipients of these scholarships which were presented by Dr. Lou Goodwin.

Heather McKay	M.R.C.
Jim Manzara	M.R.C.
Don Janzen	M.R.C.
Julie Wild	M.R.C.
Diane Thacker	S.A.I.T.
Frank Lilley	S.A.I.T.
Bob Eklund	U. of C.
Lori Maxwell	U. of C.

MASTER OF CEREMONIES

GARY ARTHUR

In 10 short years in the Broadcasting Industry Gary Arthur has accumulated a wealth of experience and gained a reputation as an extremely knowledgeable and likeable sportscaster.

Born in Vancouver, Gary got his start in broadcasting in the Peace River area of the Province. He joined CBC in 1972 helping to launch their radio sports information programs.

In 1975 Gary switched to T.V. in Calgary and currently he holds the position as sportscaster for the CBC Evening News offering the viewing public a balance in the coverage of community, university, college and professional level sports.

Gary is a Past President of the Calgary Sports Writers and Broadcasters Association and remains active with the Calgary Radio and T.V. Sports Club.

In 1976 Gary undertook a "George Plimpton" like assignment to get a first-hand look at a professional football clubs training camp and he emerged with the dubious distinction of being the first ball player cut from the Stampeders roster in that year.

Gary is married with two young children and we sincerely hope the Arthur's chose to make Calgary their home for some time.

CLOSING MESSAGE

ATHLETIC LEADE

JOAN FRENCH

Joan French has been involved in different aspects with the sport of softball for most of her life.

As a player she achieved Canadian all-star status. As a coach she took her teams to four Canadian Championships and the first Canada Summer Games. Joan currently devotes most of her time to the game at an administrative level. She is a past President of the Calgary Ladies Softball Association, has served as Vice President of the Alberta Amateur Softball Association and appeared as a national delegate at the C.A.S.A. annual meetings.

Joan is presently the director of Sport Alberta in Calgary.

BOB McNICHOL

Bob has been active in community affairs in Calgary since he came here from Australia after the last war. Bob was involved in the formation of the Calgary Minor Soccer Association in 1963. He was the Associations first Secretary-Treasurer and still holds that position today. In addition to these responsibilities, Bob remains active in coaching and officiating at the amateur level. Through his promotion and organization the quality of the sport of soccer in Calgary has certainly improved over the years.

Bob is an active Director of the Alberta Minor Soccer Association and was this Provinces delegate to the Canadian Soccer Association.

RSHIP AWARDS

JACK KENYON

Jack Kenyon graduated from Calgary's Crescent Heights High School and played college basketball for both the U. of A. Golden Bears and the U. of C. Dinosaurs. Jack joined the Mount Royal College coaching staff in 1962 and is now in his fifteenth year as head basketball coach. During his tenure at Mount Royal, Jack has led the Cougars to seven Alberta Junior Men's titles, four Alberta College Athletic Conference crowns and a Canadian Junior Men's Championship.

Throughout the years, Jack has been active in promoting basketball in Alberta and has

conducted and spoken at coaches clinics across Western Canada.

In addition to his duties at Mount Royal, Jack is heavily involved with Canada's national basketball program, and in 1975 was named coach of the National Junior Men's team.

KEN MARCHAND

Ken began his involvement with ski racing while he was growing up in Manitoba. In 1965 Ken moved to Calgary and became a coach with the SkiMeisters. He became head coach in 1967 and continues to hold that position today.

In addition to his coaching duties Ken is involved with all other aspects of the sport and has been particularly instrumental in organizing coaches clinics where coaches can work with physicians, trainers and physiotherapists improving upon training techniques and ways to improve the fitness of their athletes for the rigors of their sport.

Clearly the hundreds of hours Ken devotes to his athletes each year has paid off and we can all see the results in the measure of success the SkiMeisters enjoy in Provincial and National competition at all levels.

HONOURED ATHLETES

JOHN SIMPSON

John is the second member of the Simpson family to compete with international success on the Equestrian Circuit (his sister is Barbara Kerr, a past member of the C.E.T.). John was Zone winner of the Rothmans Scholarship from Alberta in 1972 and has gone on to a number of impressive international wins since that year. He has held a regular berth on the Canadian Equestrian Team since 1974 and in 1976 was a reserve rider with the Canadian Olympic team.

John formerly attended the U. of A. and now resides on a ranch in the Cochrane area of Alberta.

SANDY DREVER

Sandy is a native Calgarian and first became involved in field hockey locally in 1967. Sandy has gone on as a member of Albertas provincial team and has regularly been selected to compete with Canada's National Field Hockey team. In 1977 she was selected to captain the national squad on a tour to England and Scotland.

Sandy's other achievements include selection as the female Athlete of the Year at U. of C. in 1970, and in 1971 she received the Margaret Southern Award for female contribution to organization as well as athletic ability in the Physical Education program of U. of C.

HOLLY JACKSON-PEDERSEN

Since coming to Calgary from her home in Kelowna, B.C., Holly has been instrumental in the success of the womens basketball team at the U. of C., who this year ended years of domination by British Columbia teams and captured the conference title. Holly was a co-captain of her squad this year and was the second leading scorer in the league. Holly achieved first team all-star status in the Canada West Conference and was named to the second all-Canadian team for 1978/79.

Holly graduates from the U. of C. this year with a degree in Physical Education.

SPECIAL ACHIEVEMENT AWARD

In 1978 the Booster Club honoured Michelle Calkins and Helen Vanderburg for their success as a duet. Between them they won all the gold medals at the 1977 National Synchronized Swimming Championships and were runners up to each other in the individual events.

This year we feel the effort they have put into their sport and the success that they each have achieved warrants recognition for their special achievements individually.

HELEN VANDERBURG

Helen began her career in synchronized swimming with the Calgary Aquabelles in 1971. She has been with the club continuously since that time and achieved a tremendous level of success individually as well as making a major contribution to the Aquabelles success in team competition.

In 1978 Helen competed in the World Synchronized Swimming Championships in West Berlin where she won the gold medal in both the solo and duet events.

Helen is currently studying Physical Education at the U. of C. and continues to compete with the Aquabelles.

MICHELLE CALKINS

Michelle began her synchronized swimming career with the Calgary Aquabelles in 1971 as well. She too has enjoyed remarkable success in this precise and demanding sport and along with Helen has helped to lead the Calgary Aquabelles to a position of International prominence.

In the 1978 World Synchronized Swimming Championships in West Berlin Michelle was a gold medal winner in the duet event.

Michelle retired as a competitor after the last World Championships but has undertaken coaching duties with the Aquabelles and continues as a leader in her sport.

MIKE ADAMS

MARK STEVENS

**RADIO
1060**

GARDNER DICKINSON

Guest Speaker

It has been said that Gardner Dickinson resembles another great P.G.A. Tour Player, Ben Hogan, in appearance as well as in the smoothness of their golf swing.

Born in Dothan, Alabama in 1927, Gardner turned professional and joined the P.G.A. Tour in 1952 after receiving his degree in Clinical Psychology from Louisiana State University. Perhaps his background in psychology was the answer to Gardner's mastering of the mental aspect of his demanding sport.

While he accumulated 10 tour victories and total earnings of over \$700,000. in his career, Gardner's best year came in 1968 when he won over \$73,000. in prize money and tied for 16th place overall without posting a victory.

Perhaps his most impressive statistic is that in the years 1953 through 1971, Gardner only failed to appear in the top 60 players on the tour twice; an enviable achievement when one thinks of the young pro's of today who must continue to qualify for each tournament if they do not achieve this standing.

Gardner was a member of the U.S.A. Ryder Cup team 1967 through 1971 and in 1969 was named the TPD Player Director. Gardner currently resides in North Palm Beach, Florida with his wife.

DICK POUND

Guest Speaker

Dick Pound's athletic achievements took him to the Rome Olympics in 1960 where he competed for Canada in the 100 metre free style and the 400 metre medley.

Dick has continued to serve the Olympic movement in Canada, now in an administrative capacity. In 1968 Dick was elected secretary of the Canadian Olympic Association and in 1977 he became President of that body. As well, in 1978 Dick was elected to the International Olympic Committee as a second member, resident in Canada.

With these truly impressive credentials, the inclusion of Dick Pound at this year's dinner is of particular interest to Calgarians and highly topical with the recent announcement of the formation of the Calgary Olympic Development Association and the proposal of Calgary as host for the 1988 Winter Olympics.

Dick is 37 years of age and practices law in Montreal with Stikeman, Elliot and Co. and teaches a course in taxation at the McGill University Faculty of Law. Dick has been named to both the Canadian Swimming Hall of Fame and the Sports Federation of Canada Hall of Fame.

TOM GORMAN

Guest Speaker

In December, 1976 Tom Gorman retired from active umpiring duty after 25 years in the Major Leagues. At the time of his retirement Tom was the senior umpire in the National Baseball League.

After appearing in the major leagues as a pitcher with the New York Giants, he entered military service spending almost five years with the U.S. army. After leaving the armed service Tom turned his talents to umpiring starting his career in the New England League in 1947. His ability quickly carried him to the majors in 1951.

Gorman is a veteran of five World Series, two League Championships, and four All-Star games.

After retirement Tom continued his work in baseball and on behalf of the National League. He has been used on special assignments such as the Hall of Fame Game in Cooperstown and the Mayor's trophy game between the Mets and the Yankees in New York, and has just recently been named an umpire consultant by the National League.

Tom has also been used by the National League for special speaking engagements and continues to be in great demand as an after dinner speaker.
