PRESIDENT'S MESSAGE

**DON
PODGURNY**

On behalf of the Calgary Booster Club, it is my privilege to welcome you to the 25th Annual Sportsmen's Dinner. Tonight we honour Ray Kingsmith as the 1980 Sportsman of the Year. Ray is a unique Calgarian and an extremely worthwhile recipient of this award.

In the sport of curling, he has been a tireless worker at all levels, from the clubs through to his current involvement as Vice-President of the Canadian Curling Association.

In his favourite, baseball, as a player and 13 years as a little league coach, manager and administrator, his contributions were invaluable. Ray has given himself unselfishly to sport, his community and church. To Ray Kingsmith my sincere congratulations.

Tonight the Calgary Booster Club also recognizes the athletic leadership that Bob Allen, George Cooke, Jim Jarrell, Jim Milligan and Debbie Muir have provided their respective sports' associations. These groups simply could not exist without the efforts provided by these individuals being honoured this evening.

Peter Butler, Robert Eklund, Kelly Kisio, Kelly Kryczka and Michelle Camarata have all distinguished themselves with athletic achievements over the past 12 months and are most worthwhile winners of their athletic awards. To these young athletes, our sincere congratulations.

The Calgary Booster Club is proud of the Calgarians we honour here tonight. We are also most appreciative of the support given to our Dinner by all the attendees and advertisers who have contributed to the success of this function over the years. I would also like to thank the sports media for coverage of this: "Ray Kingsmith's Night."

RAY KINGSMITH

**1980
SPORTSMAN
OF THE YEAR**

Ask anyone in the Calgary community what word goes with curling and they would likely say Kingsmith.

Ray moved to Calgary in 1944 to finish school and joined the Glencoe Curling Club in 1946. He was lured to the Calgary Curling Club in 1950 and is still a member there. He served on the executive of the C.C.C. for 13 years. His other executive appointments to local and national curling bodies likely exceeds any other individual. Perhaps another record is his attendance at 19 briers and 10 world championships.

Like any true Sportsman of the Year his interests and seemingly endless amount of time did not stop at one sport. Ray played fastball in Calgary from 1944 - 52. In two of those years he won the batting championship.

He umpired in semi-pro baseball for five years and then joined the Little League in 1957 and coached, managed and umpired for 13 years.

Cubs and Scouts received his leadership for 10 years and chairmanship for 5 years.

And still he has more time for hobbies of carpentry, playing guitar and collecting odds and ends.

Married to Nancy since 1945, they have four children.

A winner. Naturally.

Safe, clean natural gas.

CLOSING MESSAGE

ATHLETIC LEA

BOB ALLEN — SWIMMING

Bob has been involved in competitive swimming for nearly thirty years. There were 175 swimmers in his program in 1979.

He was selected as a coach of the Canadian Pan-Am Team which competed in Puerto Rico last summer. Bob's contribution to the sport and the Calgary community has paid off by his swimmers holding Canadian records. His ability to encourage and inspire athletic excellence has gained the Foothills Swim Club with the reputation of being in the top four or five clubs in Canada.

His dedication and perseverance to train swimmers who must train four or five hours a day, eleven months a year, certainly makes Coach Allen a worthy recipient of an Athletic Leadership Award.

GEORGE COOKE — HOCKEY

George stated that Mrs. Rose Kohn's strong influence encouraged his interest in Minor Hockey.

Over the past two decades he has been an active participant and tireless worker in all phases of minor hockey in the City of Calgary. In the late 1950's and early 1960's he coached Richmond Midget Hockey Clubs to provincial championships. In the early 1960's he was instrumental in organizing the "AA" and "BB" Hockey Program in the City of Calgary. In the mid 1960's George served in many executive positions on the Calgary Community Recreational Association achieving the office of President during that time. George became President of the Minor Hockey Association of Calgary for the 1972-1973 and 1973-1974 seasons. He has since served as Past President and as a Director and Registrar of the Association.

SHIP AWARDS

JIM JARRELL — GYMNASTICS

Jim's coaching, management and administrative background stretches from local to international boundaries. It is felt that no one has contributed more to the local gymnastics program than Coach Jarrell.

In 1970 Jim and his wife Jean founded the Mount Royal Gymnastics Club which has 30 competitive gymnasts and approximately 1,000 recreational gymnasts per year. He is currently the provincial coach for any gymnasts participating in National Championships.

His other involvements are in high school football, community basketball, umpiring Little League baseball, track and field and competitive swimming as an official.

JIM MILLIGAN — FOOTBALL

Jim was one of the founders of the Calgary Bantam Football Association in 1964. He has held the position of president and vice-president several times over the past 16 years. Presently Treasurer, the C.B.F.A. has two main goals, the first being to establish a minor league with players up to 125 lbs. to act as a feeder league. This would allow the main league to use an unlimited weight limit. The second goal is a wholly owned building for equipment storage and regular clubhouse facilities.

DEBBIE MUIR SYNCHRONIZED SWIMMING

Debbie has gained for Calgary International prominence by her ability as a coach. Her swimmers won the gold medal for duet at the 1978 World Synchronized Swimming Championships. When Michelle Calkins retired, Coach Muir had ready Kelly Kryczka to join Helen Vanderburg and retain the gold in duet at the Canadian, Pan-Am and Fina Cup. Debbie was runner-up for the Air Canada Coach of the Year. She has been one of the national coaches for the last five years.

HONOURE

PETER BUTLER **Distance Runner**

He is considered to be the number one distance runner in Canada. A carded athlete on the Canadian Olympic Association list. Peter is the Canadian Outdoor Champion in the 5,000 and 10,000 metre races. He also is the Canadian Cross Country Champion the last two years. Other records are; the highest placing by a Canadian in World Competition and establishment of records in the 1,500 and 3,000 metres at the last C.W.V.A.A. He currently is a student of the U. of C.

MICHELLE CAMARATA **Gymnastics**

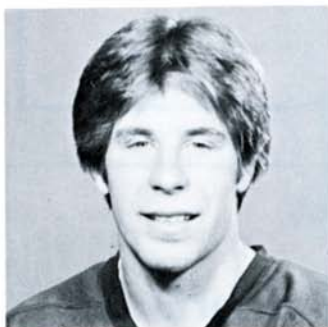

Michelle, in November of 1979, became the first female gymnast from Alberta to achieve Canadian National Team status when she was awarded her National Level Three standing. Competing with the elite group of 20 Canadian girls at an Olympic selection meet in February she placed ninth. At an upcoming competition she would have to achieve an eighth place finish to be considered for a trip to Moscow. Michelle is a grade 12 student at Bishop Carroll High School and has been a member of the Altadore Gymnastics Club for nine years.

ATHLETES

BOB EKLUND **Wrestling**

Bob was undefeated in fifty bouts of collegiate wrestling in 1979, making him the champion in the 176 lb. class. He was third at the 1979 National Senior Wrestling Championships in the 180 lb. class. Bob received from the province an Alberta Achievement Award for his proficiency in wrestling. A student at the U. of C., he is also a very accomplished musician.

KELLY KISIO **Hockey**

Kelly is considered to be one of the top five junior hockey players in Canada. He was selected Rookie of the Year in the Western Hockey League in the 1978 - 79 season. He has 60 goals and 61 assists in 72 games. In this season after 57 games he has equalled his 121 points of the previous season. This native of Peace River, Alberta, at 5'10" and 170 lbs., will be entertaining hockey fans for many years to come when he is wearing a sweater of an N.H.L. team.

KELLY KRYCZKA **Synchronized Swimming**

In a duet partnership with Helen Vanderburg won the Canadian, Pan-Am and Fina Cup (World) gold medals. In 1976 Kelly competed in the National Synchronized Swimming Championships and she was the first person ever to win gold in all five events open to her. She has been swimming for ten years. Her daily schedule of practice is six to seven hours each week, eleven months of the year. It is expected by her coach and herself that she will succeed Helen as the Canadian solo champion.

CALGARY OLYMPIC DEVELOPMENT ASSOCIATION

The Calgary Olympic Development Association applauds the outstanding achievements of the athletes and athletic leaders who are being recognized at the 1980 Sportsman's Dinner. It is said that for every athlete who participates in the Olympic Games, at least 1000 athletes have trained and competed for this honour. Calgary is fortunate to have a growing base of fine young athletes which will continue to produce world class competitors in many sports.

Congratulations to Ray Kingsmith, who has followed past Sportsmen of the Year in the tradition of unselfish dedication to the development of amateur sports in our city.

Tonight's dinner will recognize several of the city's volunteers who have worked hard to enhance amateur sport in the Calgary area. Many volunteers have also come forward to assist CODA in its bid to host the 1988 Olympic Winter Games. Calgary is a logical choice for Winter Games because of the character of its people and the natural climate and Terrain of the area.

We wish to thank the Calgary Booster Club for its generous support of funds and key personnel to support CODA in its Olympic bid. Without the Booster Club's initiative, Calgary would not likely have this great opportunity to develop facilities and participation in the winter sports of the Olympic Games.

Yours very truly,

GEORGE BLANDA

GUEST SPEAKER

A great quarterback for fine Kentucky teams in the late '40's, George received his BS in Education.

Mr. Blanda played with the Chicago Bears from 1949 through 1958, with the Oilers from 1960 through 1966 and with the Raiders from 1967 through 1975. He retired after the 1975 season, completing a 26 year career as a quarterback and kicker in pro football.

George left football with these records — 26 seasons, 340 games, 224 consecutive games, 2,002 points, 943 extra points (out of 959 attempts), 335 field goals (out of 638 attempts).

George's single season high was 117 points in 1968. He was named 1970 AFC Offensive Player of the Year after a series of final-minute heroics to help lead the Raiders to the Championship Game. When he retired, he was the oldest active player in Pro Football.

Blanda is the author (with Wells Twombly) of "Blanda — Alive and Kicking".

He currently resides in LaGrange Park, Illinois — plays golf every chance he gets.

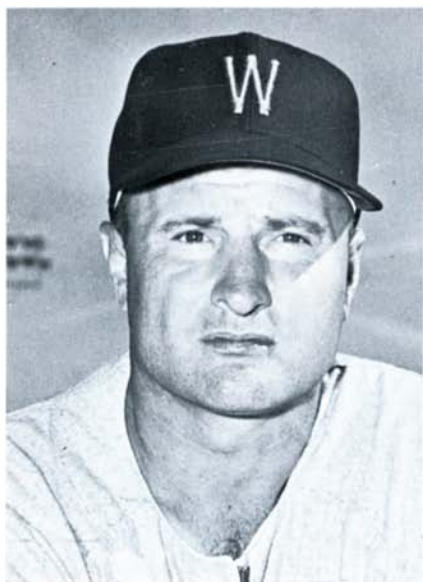

BOB COUSY

Guest Speaker

As a player Bob Cousy ranked as super-star for 17 years — four at Holy Cross as an All-American in '49 and '50 and 13 as Captain of the World Champion Boston Celtics. In '63 he became head coach at Boston College and racked up an impressive 117 - 34 record in his six seasons.

From the rumbling tenement block on Manhattan's West 83rd Street to 13 N.B.A. All-Star games — the little man (6'1") in the domain of the giants, brought stature to the game not measured in inches. His moves on a basketball court were smooth enough to have been choreographed — a concerto performed by a maestro; his drive as a man made him a steadfast teammate and hard-nosed competitor.

The man who made it happen for so many years as a player — made it happen as a coach — only those who didn't know him were surprised. In his chosen field there remained just one major challenge — coaching in the pros. The Cincinnati Royals, hungry for a championship, signed Bob Cousy as head coach in 1969 in one of the most lucrative contracts in the history of professional sports. Can you think of anyone better qualified? One thing is for certain, no one could be more determined to win than this legendary backcourt champion!

ELLIS CLARY

Guest Speaker

Baseball player, coach, scout, sports writer, his claim to having been dead three times, surely this is a man with many stories to tell.

He played pro baseball for 19 years, he claims without distinction, hung around the American league for 10 years as a player and coach. Was a lousy player but an expert coach. Stumbled into a World Series as a member of the St. Louis Browns, was very instrumental in winning the pennant by sitting on the bench a lot. The St. Louis Browns are now the Baltimore Orioles, "I butchered third base so bad they had to move the ball club".

Ellis professes to be a scout for the Minnesota Twins major league baseball team. But hang around him very long, and you'll swear he's one of those standup comics from Vegas.

A massive heart attack in 1970 led to his claim that he was dead three times. Doctors administered three electric shock treatments to activate his heart. Struck while watching a high school baseball game his wit did not let down. While being placed in an ambulance he asked a colleague to "check the meter in this cab".
