PRESIDENT'S MESSAGE

LORNE SCOTT

Welcome to the 33rd Annual Calgary Booster Club Sportsmen's Dinner.

For the past 35 years the Booster Club has been looked upon by the sport public of our city as a source of support, financial and otherwise, to help individual athletes and teams achieve excellence and recognition in their field of sport. As well, the Booster Club has also provided the framework to assist in the organization of many sporting events. The Herald Road Race, the foundation of CODA, various High School meets and tournaments; the Booster Club is there.

Each year at the occasion of this dinner, it is our honour to recognize the athletes and athletic leaders that bring Calgary its fine reputation in the world of amateur sports. In particular, this year, it is a pleasure for our Club to honour Keith Evans, the 1988 Sportsman of the Year. Keith is well known in the city as "Mr. Jr. Football". This title, which is richly deserved, has been earned by Keith through many hours of hard work, both on and off the gridiron. Without Keith's dedicated commitment to the youth of Calgary this city might very well be without any organized junior football at all.

Tonight we are most fortunate to have two distinguished guests. Chris Schenkel, the internationally recognized sports broadcaster and Duke Snider, the legendary centre fielder for the Brooklyn Dodgers and colour commentator for the Montreal Expos, have kindly accepted our invitation to be after-dinner speakers.

The Calgary Booster Club is indebted to Ed Whalen, who has graciously agreed to be our Master of Ceremonies. A warm "thank you" is also extended to Arnold Rutzer and his staff at the Westin Hotel.

Finally, this evening I would like to pay tribute to three former Sportsmen of the Year and an Honourary Life Director of the Calgary Booster Club, each of whom has passed away over the past year. Les Ferguson (1968), Scotty Kay (1975), Ray Kingsmith (1980) and Marvin McDill, these are men who were truly "dedicated to the development and encouragement of athletic endeavour"—the Calgary Booster Club Motto.

Ladies and Gentlemen, thank you for attending this evening's dinner. I trust you will enjoy yourselves.

MASTER OF CEREMONIES

ED WHALEN

A handwritten signature in black ink that reads "Ed Whalen". The signature is written in a cursive, flowing style with a large loop at the end.

Born and raised in Saskatoon, Ed Whalen took a part-time job in radio some 40 years ago. At the time, he was going to the University of Saskatchewan and had every intention of becoming a medical doctor. He enjoyed radio and, in 1948, quit University and decided to go into broadcasting full-time.

Ed's career activities are many and varied. Under the banner of Whalen Media Services Limited, he has two national radio shows daily, both dealing with news. He is a free-lance columnist with the Calgary Sun (editorial page) and is extremely active in TV. All of his TV activities are involved with sports, including a daily sportscaster, NHL play-by-play and Stampede Wrestling. In addition, Ed has two national wrestling shows on TSN and a wrestling audience in 27 other countries of the world! Ed says that "compared with world affairs, wrestling is more sane!"

After 40 years in broadcasting, Ed is still as enthusiastic today as he was when he first started and he states that "it's nice to be paid for a hobby for 40 years!"

He is married to Nomi and they have five children.

The Calgary Booster Club is proud to have Ed Whalen as the Master of Ceremonies for our 33rd Annual Sportsmen's Dinner.

THE CALGARY BOOSTER CLUB AND THE XV WINTER OLYMPIC GAMES

September 11, 1978:

"At a recent conference attended by Don Podgurny, an Alberta MLA suggested that the Calgary-Kananaskis area make a bid for the 1988 Winter Olympics. Bill Nield was to contact Hans Maciej to ascertain possible involvement by the club."

November 6, 1978:

"It was moved by Jack Wilson and seconded by Lorne Scott that the President appoint a committee to study the possible involvement of the Club in obtaining the 1988 Winter Olympics for the Kananaskis area and that the Club pay incidental costs related thereto."

December 4, 1978:

"Frank King and Bob Niven reported on the possibility of the Club becoming involved in the application for the 1988 Winter Olympics. After discussion of the funding and political requirements it was agreed that the Club should continue with its study."

January 8, 1979:

"Frank King reported on the progress he and Bob Niven have made regarding the feasibility and structuring of a proposal to stage the subject Olympics. Any proposal would have to be made on behalf of the City of Calgary and Mayor Alger has voiced his enthusiasm. Frank has met with the heads of various Sport Federation groups and feels we will be strongly supported. Several directors volunteered to assist this committee in the next stage of their program."

February 12, 1979:

"Under Frank King's direction this committee is rapidly progressing. Doug Kowel is to meet with Olympic Sport representatives at the Winter Games in Brandon this week. Bob Niven and Jack Wilson will be attending the pre-Olympic games in Lake Placid to meet with their organizers. It was moved by Frank King that the Booster Club donate \$5,000 to the Canadian Olympic Development Association for planning expenses. Seconded by Don Ingram. Carried."

And the rest, as they say, is history! From these beginnings came the 1988 Winter Olympic Games and a legacy to the City of Calgary that will affect present and future Calgarians for many years. The tremendous sport facilities constructed for the Olympics will no doubt encourage athletes to develop their skills in the hopes of experiencing the Olympic dream, a dream that we witnessed in February here in Calgary.

The Calgary Booster Club played an exciting role in the obtaining and staging of the XV Winter Olympic Games. Many of its directors contributed significantly to the success of the Games. We are proud of our involvement and join with all Calgarians and Canadians in congratulating Team '88 for a job well done!

SPORTSMAN
OF THE YEAR**

KEITH EVANS

Keith Evans, perhaps better known as Mr. Junior Football in Calgary, has been deeply involved with the Calgary Colts organization as General Manager since 1969. During the past 19 years, Keith has been the glue that has kept junior football together in this city.

As the Colt's volunteer General Manager, Keith has made impressive commitments of both time and finances. He has virtually built and/or renovated both of the team's clubhouses, purchasing much of the material and providing a lion's share of the labour. He has been instrumental throughout the years spearheading numerous fund-raising schemes to keep the organization operational. In addition, Keith has maintained a strong relationship between the Prairie Junior Football Conference Colts and the Canadian Football League Calgary Stampeders.

Keith has been recognized previously by the Calgary Booster Club as an Honoured Athletic Leader in 1982. He has served in various positions with the Prairie Junior Football Conference and the Alberta Amateur Football Association. At the 1987 Canadian Junior Championships in Regina, he was honoured as the Executive of the Year in the Canadian Junior Football League.

Congratulations to KEITH EVANS, the Calgary Booster Club 1988 Sportsman of the year. He's a gentleman who certainly fulfills the mandate of development and encouragement of athletic endeavour.

THE HISTORY OF THE CALGARY BOOSTER CLUB

The Calgary Booster Club originated from an idea during a get together of a group of sports minded individuals in the Old Club Cafe on eighth avenue east.

Those who attended the first unofficial meeting of the Calgary Booster Club were some rather prominent Calgarians:

Art Smith, Advertising Executive and former M.P.

Pete Egan, Manager Palace Theatre

Curly Hunt, President Hunt Real Estate

Harry Cohen, Manager Director General Distributors Limited

Dr. Les A. Maxwell, Dentist

Jack Quigley, Insurance Executive

Stu Adams, "Adams Distillers Limited"

Roy Beavers, Owner Club Cafe

Ron Butlin, Business Executive Central Liquidation (Canada) Ltd.

Ernie McCullough, Jr., Maclin Motors

Vere Carmichael, Medical Supply Salesman

The idea generated was very basic — to organize a Club in the City of Calgary of sport enthusiasts to boost amateur sports and sports in general.

This group gathered within its ranks other sports and they in turn moved their location (for coffee) to the old Pump Room in the Petroleum Building on 9th Avenue and 2nd Street West where they met once a week and made plans and had discussions relative to their new found interest. The "Calgary Booster Club" which name was decided on early in their organizational stage.

One of the highlights of the Booster Club in the early years was the Sunday evening sports panels that met in the Palace Theatre. In addition, Art Smith and Ron Butlin moderated a radio show on amateur sports on CFAC once a week.

From its inception the ranks of The Calgary Booster Club have been filled with prominent Calgarians, several who served in the capacity of President. In the founding year 1953, Art Smith served as President and he was followed by the likes of Bob Freeze, Ken Moore, Bill Dickie, Ron Butlin, Lou Goodwin, Stu Adams and Doug Mitchell. Every one of these gentlemen devoted countless hours to the promotion of amateur sport and all Calgarians owe them a vote of thanks.

The present Calgary Booster Club is "dedicated to the development of athletic endeavour". It achieves its purpose by three methods:

- (a) Administrative and publicity assistance to organizations putting on athletic events. In this it supplies manpower.
- (b) Consultant service for organizations wishing advice on promotion of their particular sport.
- (c) By making grants to organizations to help such organizations achieve their purpose and benefit their particular sports.

The Calgary Booster Club believes that athletic endeavour in the City of Calgary can be best advanced by the development of enthusiastic, highly trained, dedicated individuals. These people can then sell the value of athletics to our youth. Leadership — in sport — as in business — is the key to success. It is our hope that we can give needed assistance to organized athletic organizations that are interested in and capable of making a definite contribution to the youth of our City.

It is our aim that assistance obtained from the Calgary Booster Club will help encourage, promote and develop athletic endeavour in our City through the development and extension of existing activities and services and the training of personnel. Such training should include courses for lay and professional personnel with a view to increasing the number of qualified leaders and coaches in our community.

THE CALGARY BOOSTER CLUB SPORTS WALL OF FAME IS UNVEILED

Over a number of years, the Calgary Booster Club discussed the concept of a permanent display of recognition for its leadership and athletic award recipients. At a "Future Directions Workshop" held on Saturday, January 21, 1984, a workshop attended by a majority of Club Directors of that year as well as a number of Honorary Directors, approval was given to proceed with the Sports Wall of Fame Project.

After reviewing a number of potential locations and putting together the funds necessary for the project, an agreement was reached between the Club and the Directors of Lindsay Park Sports Centre to house the display in their highly used public athletic facility. Initial plans for the project were developed in March, 1987, and the Sports Wall of Fame was opened to the public on December 9, 1987.

As each year's group of award recipients is announced, these names will be added to the display, providing a complete history of persons honoured by the Calgary Booster Club.

GUEST SPEAKER

CHRIS SCHENKEL

When Chris Schenkel took his first job in 1942 as a radio sportscaster for \$18 a week in Muncie, Indiana, he decided he wanted to cover a wide spectrum of sports rather than specializing in just one or two. Based on what he has accomplished since, he has no reason to regret that decision.

The ABC Sportscaster has become one of the most popular and widely honored sports announcers in the United States, covering virtually every major sports event in his career, which includes nearly 36 years as a network announcer. His most recent honor came with his election to the National Sportscasters and Sportswriters Association Hall of Fame in 1981. The NSSA previously named him as Sportscaster of the Year in 1963, 1964, 1967 and 1970.

Mr. Schenkel was the recipient of the prestigious George Foster Peabody Award in 1968 for his excellence as the anchorman for the ABC Television Network's coverage of the 1968 Olympic Games in Mexico City, one of eight Summer and Winter Olympic Games he has covered. He also was the anchorman for ABC Sports' coverage of the 1968 Winter Olympics in Grenoble and the 1972 Olympics in Munich. Mr. Schenkel also has been nominated four times for Emmys by the National Academy of Television Arts and Sciences.

Mr. Schenkel was among the first to report football on network television, starting with the Harvard games in 1947, and since then he has covered more than 500 professional and college football games for television. For 13 years, he was the voice of the New York Giants, and also reported National Football League games on CBS.

With Mr. Schenkel reporting since the series inception in 1962, the popular "Professional Bowlers Tour" has become ABC television's second longest running sports series, behind "ABC's Wide World of Sports." In 1976, he was inducted into the Professional Bowlers Association Hall of Fame and was also elected to the Indiana Bowling Hall of Fame for his contributions to the sport through television.

He has probably covered more boxing matches on television than any other sportscaster, having called the Monday night fights—five or six bouts a night—for six straight years, 50 weeks a year, beginning in 1953. Since then Mr. Schenkel has called championship bouts all over the world.

He has reported hundreds of thoroughbred horse races, including all the Triple Crown events, and virtually every major golf and tennis championship since 1953. Georgia Southern College awards an annual Chris Schenkel Golf Scholarship and hosts the Chris Schenkel Intercollegiate Invitational Golf Tournament every April.

For "ABC's Wide World of Sports", Mr. Schenkel has reported on a broad spectrum of championship events, and he has also worked on many ABC Sports specials. In 1986 he was one of the commentators for ABC's fall golf lineup, including the Chrysler Cup, J.C. Penney Classic, Chrysler Team Invitational and Mazda Championships.

His hobbies include American Indian and Western art and history, and his enduring interest in Indian affairs has brought him an honorary chieftainship in the Miami Indian Council of Indiana. In December, 1986, Chief John R. Thorpe, son of the legendary Jim Thorpe, bestowed on Mr. Schenkel the title of honorary chief of the Sac and Fox Tribe in Stroud, Oklahoma, for his "work and dedication to the American Indian". It was the first time such recognition had been given.

Mr. Schenkel and his wife, Fran Paige, a former June Taylor dancer and top fashion model in New York, have three children: Christina and Ted, both Purdue graduates are married, and John, who recently graduated from Indiana University. The Schenkels live on Lake Tippecanoe in Leesburg, Indiana.
