On behalf of The Calgary Booster Club I am so very pleased to welcome you to the 59th Sportsman of the Year Dinner, and to thank you for making our special night part of your social calendar. By doing so you affirm the immense value that athletics have in our community, and you honour the specific individuals that are recognized this evening for their contributions, their leadership, and ultimately, their sportsmanship.

While a healthy sense of competition is a natural part of human instinct, our ability to cooperate, work constructively with others, and interact fairly while doing so, is learned behaviour. Sport allows us to develop and nurture these abilities that are so vital to us as social creatures and, at the same time, give us a vehicle for exercising and honing our competitive spirit. With that competitive spirit in great supply, along with the ongoing involvement of countless volunteers, corporate sponsors, builders, and participants (both professional and amateur), Calgary really is a centre of sporting excellence, and The Calgary

Booster Club is committed to acknowledging that excellence!

Our acknowledgements to sponsors, partners, sports media, leaders, officials, coaches and athletes are not only meant to say, "thank you for what you have done" but also, "thank you for your commitment to Calgary's athletic future!" In that sense, we encourage all of you to reflect on your own participation in our athletic community, and endeavour to grow that involvement wherever and whenever you possibly can. Certainly, with planning for the 60th Sportsman of the Year Dinner already underway, we hope you'll join us again next year for that milestone, and would ask that you keep in mind, in the meantime, potential nominees for those awards. Collectively, you have the ability to inform our organization who the leaders of sport are in our city. You decide who deserves recognition for their accomplishments and years of service.

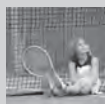

Once again, please accept our most sincere gratitude for attending tonight's presentation to express your congratulations to our Honoured Athletic Leaders, the Male and Female Athletes of the Year, and our 59th Sportsman of the Year. And not least of all, thank you for helping The Calgary Booster Club continue to "Develop and Encourage Athletic Endeavour."

CONGRATULATIONS TO ALL ATHLETES

PREMIER OF ALBERTA

**MESSAGE FROM HONOURABLE
ALISON M. REDFORD, QC
PREMIER OF ALBERTA**

On behalf of the Government of Alberta, it is my pleasure to welcome everyone to the 59th Sportsman of the Year Dinner.

For almost six decades, the Calgary Booster Club has been dedicated to promoting the city's vibrant sports community. That tradition continues tonight with a celebration of a dozen men and women who have made a significant impact on Calgary's sports scene.

Congratulations to Carol Kyle, the 2012 Sportsman of the Year, and to Jon Cornish and Christine Nesbitt on being named male and female athletes of the year. We also recognize the tremendous contributions made by this year's athlete leaders: Dr. Andre Buret, Jim Burke, Pat Franks, Richard Passey, Rolf Martin, Colin Ogilvy, Ron Read, Greg Steiner and Byron Stephen.

These honourees join an impressive list of Calgarians who have built the city's reputation for sports excellence. Whether their achievements were on the field, on the ice or behind the scenes, each of them have displayed dedication and enthusiasm for sport that will inspire others in our community for years to come.

Best wishes for an enjoyable evening!

A MESSAGE FROM MAYOR NAHEED NENSHI

On behalf of my City Council colleagues and the citizens of Calgary, it is my privilege to welcome all of you to the 59th Annual Sportsman of the Year Gala hosted by the Calgary Booster Club.

Calgary is known around the world for its commitment to athletic excellence. The contribution of tonight's honourees to their chosen sports is a large reason why we enjoy this well-earned reputation.

The Male and Female Athletes of the Year, Jon Cornish and Christine Nesbitt, are both hard-working yet humble. They let their results on the football field and on the rink speak for themselves, and in 2011 those results spoke very loudly.

Carol Kyle is a very deserving winner of the 2012 Sportsman of the Year award. While Ms. Kyle has made significant accomplishments in a variety of sports, it is her dedication to Track and Field, with more than 40 years of serving as an official in that sport, that sets her apart. Ms. Kyle has officiated at the highest levels of competition and not once was she paid for her commitment to ensuring honour and fairness in the pursuit of athletic excellence.

In 1997, Ms. Kyle was acknowledged as an Honoured Athlete Leader at this same dinner. Tonight's recipients represent the numerous ways one can show leadership in sport in our community.

Thank you to the Calgary Booster Club for honouring all of these individuals for their achievements.

Sincerely,

Naheed K. Nenshi

ENCOURAGEMENT OF ATHLETIC ENDEAVOUR

Calgary Booster Club

The Calgary Booster Club considers it a privilege to honour Carol Kyle as our 2012 Sportsman Of The Year. For fifty-one years, Carol has been a motivator in Athletics, and the driving force behind the formation and the subsequent success of Officiating in Track and Field programs - not only locally, but also nationally and internationally as well.

In 1958, Carol and her husband Doug started CALTAF, which was the first organized Track and Field Club in Calgary since the Second World War. Together they were administrators and coaches as they trained athletes, sponsored local meets, looked after officiating, and organized all travel arrangements. In 1969, they were transferred to Toronto, but returned permanently to Calgary four and a half years later.

Carol now devoted her efforts into full-time officiating, and in 1973, she achieved her Grade 5 level as a Track and Field official, which is the highest level an official can achieve in this sport at the International level. As the top official in her area of expertise (which is the Vertical Jumps), Carol has worked both locally and provincially at over three hundred meets from 1969 until the present time. This includes club, age class and high school meets, as well as indoor and outdoor provincial championships and summer games. During these years, Carol also found time to offer clinics for officials, and to help young athletes develop an understanding of the rules in their events, so that they could achieve greater success.

Carol's expertise and rapport with athletes and other officials landed her in top positions at over thirty high profile national and international meets over the years. These meets range from Canadian Championships to the Commonwealth Games, the Pan American Games, the World University Games, the World Indoor and Outdoor Championships, the World Police and Fire Games, and the Olympic Games. She is still actively officiating, and Carol will be part of the officiating team at the Canadian Senior Track and Field Championships and the Canadian Olympic Trials, which will be held in Calgary on June 28th to 30th, 2012.

One of the highlights of her long and distinguished career was the Olympic Games which were held in Montreal in 1976. As a high jump official, she witnessed first-hand, Canadian Greg Joy winning the Silver Medal with a jump of 7 feet 3 $\frac{3}{4}$ inches when he beat out the heavy favorite, Dwight Stones of the U.S.A. The American ended the competition by winning the Bronze Medal, with the Gold Medal going to the Polish high jumper.

Carol was the Officials' Chairman for Alberta for four years, which included the year of the Commonwealth Games in Edmonton in 1978. She was given the job of upgrading, training, and obtaining enough qualified officials for these games, which she did. She also instituted a Recognition Program for Alberta officials with shirts, badges and jackets, which proved to be a huge success.

Before getting involved with officiating, Carol was an outstanding athlete for over ten years in the high jump. She was a high school provincial record holder in Ontario, and she was the Canadian Open High Jump Champion and record holder in 1953 and 1954.

Carol Kyle

During her illustrious career as an Athlete, Builder and Official in Track and Field, Carol has received many honours over the years. The ones she is most proud of include:

- Ontario Outstanding Athlete of the Year Award in 1954 and 1955
- Club Builder Award from Calgary Track & Field Club in 1969
- Alberta Official of The Year for Athletics in 1989
- Calgary Booster Club Honoured Athletic Leader Award in 1997
- Canadian Official of The Year in Athletics and Wall of Honor Award in 1998
- Inducted into the Alberta Sports Hall of Fame as a Builder in 2000.

Carol has been happily married to Doug for 54 years, and they are the proud parents of a daughter Susan, who lives in England, and a son, Bob, who lives in Calgary. She and Doug have three wonderful grandchildren. Carol has also found time to be an active volunteer in St. Peter's Anglican Church for over 37 years, holding many different positions, as she continually works with both children and adults. Her hobbies include golf as a member of Earl Grey Golf Club, sewing, and her Home Craft business.

In summary, Carol has devoted fifty-one years as a volunteer without pay to Athletics as both a builder and an official. She has made a significant contribution to amateur Sport in Calgary, and for these reasons and many more, the Calgary Booster Club is proud to honour Carol Kyle as our 59th Sportsman of the Year.

John Mayell
June 12, 1916 - February 27, 2012

John was a life- time educator who touched the hearts and lives of thousands of young people, teachers, coaches, administrators, officials and friends. He was a native Calgarian who attended Crescent Heights High School and the University of Washington. John was hired by the Calgary Board of Education in 1948 and taught P.E. at Western Canada High School until 1953 when he went downtown as Supervisor of Physical Education and Director of Athletics. He held that position for 25 years retiring in 1978.

John was a founding member of the Alberta Schools Athletic Association in 1956 and their secretary treasurer until his retirement. That same year he was instrumental in forming a partnership with the CSHSAA and the Calgary Booster Club where a scholarship would be presented to the outstanding student athlete in high school football (the Harry Hood Memorial Award). This has been a most successful partnership with thirty- eight awards now being presented annually. John joined the Calgary Booster Club in 1958 and was a Director for fifteen years where he served two terms as secretary. He was selected by the Club in 1973 as Sportsman of the Year, and in 1974 was made an Honorary Life Director.

John was a huge football fan and worked as a timekeeper at all Calgary Stampeders games from the early 1950's until 1986.

In 2006 John was inducted into the ASAA Hall of Fame as a founding member and athletic administrator.

In 1976 he was responsible for an agreement between the Public and Catholic School Boards to ensure funding for school athletics and a cooperative Board to Board relationship, which was a first in Canada.

John is survived by his two children, Linda and Jack and three grandchildren and one great grandchild. He was an outstanding Calgarian and educator and will be missed by all.

MASTER OF CEREMONIES

Beesley

Beesley may have been born in Kamloops, BC but for the past 25 years he has called Calgary home with his wife Joanne, daughter Darcy and son Dylan. One of the first events he hosted was the Opening Ceremonies of the '88 Winter Olympics at Olympic Plaza - since then he has become one of Calgary's most recognized voices hosting everything from CTV's One Night Stand and Miss Calgary Pageant to the Calgary Stampede Talent Showdown and Spruce Meadows.

He was the Calgary Stampede's sideline announcer from 1996-2000 and is the Arena-Voice of your Calgary Flames for the past 16 seasons. Beesley has spent the last 30 years in the radio and television industry and is now a Radio Broadcast Instructor at SAIT.

Gareth Rees

Gareth Rees gained 55 International Caps playing Rugby for Canada. He is Canada's all-time leading scorer with 487 points since his debut in 1986. Gareth Captained his country on 25 occasions and was the first player to have played in all 4 Rugby World Cups.

He hails from Victoria, British Columbia and has earned a B.A. from the University of Victoria and a Masters degree from Oxford University. He later played professional rugby in France (Bordeaux), Wales (Newport) and England (London Wasps and NEC Harlequins).

He is a former schoolteacher who claims HRH Prince William as one of his former students while working at Eton College in England. Gareth has worked as a player agent, as a professional coach and TV commentator.

In 2002 he returned to Canada where he was named Chief Executive Officer of Rugby Canada. He resigned from this post in 2004 but continued as a Director of GLR SportMedia in Vancouver, where he consults for BC Rugby and other bodies in North America. He has partnered with former teammates Laurence Dallaglio and Kenny Logan in Richmond, London where they own the Eden Park clothing store.

Gareth has covered a unique period in the game and he is equally comfortable talking about his World Cup experiences (including his sending off against the Springboks in '95) or his time in the UK from Oxford University, through the onset of professionalism, to coaching the finer points of the game to the future king at Eton College.

Gareth brings a unique perspective to top level rugby. He is particularly skilled at speaking to North American audiences, informing and explaining the game to the initiated and using his passion to tell the rugby story.

He is currently President of Waterfall Events Ltd. in Vancouver B.C. Canada. He is chair of the BC Sports Hall of Fame. At the 2011 Rugby World Cup, in his highest recognition to date, he became the 41st member of the International Rugby Board, Hall of Fame (first and only Canadian!)

DR. ANDRE BURET - Karate

Dr. Andre Buret is a yondon (4th degree black belt) who has obtained his International Master Teacher accreditation in the sport of karate, which places him at the highest level in western Canada in his style of karate. He has been involved as a coach, an official, and an administrator in this sport for over twenty years.

Since 1995, Andre has been the head instructor of the Calgary Chito Ryu Karate Club. He has coached both junior and adult athletes at all Karate Alberta tournaments, and has served as the coach for the Alberta Karate team at national championships. In 2007, Andre coached at the International Chito Ryu Karate Soke Cup in Norway, where two of his junior athletes won medals.

Andre is also a certified official helping on a regular basis during tournaments held by the Karate Alberta Association. He is currently a Vice-President of the World Chito Ryu Karate Association, President of the Alberta Chito Ryu Association, and the Calgary Karate Club. Andre organized the first International Western Camp for the Canadian Chito Ryu Karate Association in 2011, and he is planning another camp for 2012. As well as his time in the sport of karate, Andre served with Calgary Youth Soccer as a coach between 1995 and 2002. He also coached a gymnastics club from 1973 to 1983.

Andre is a Professor in Biological Sciences at the University of Calgary, and the Vice-President of Research for the Canadian Association of Gastroenterology. He delivers lectures on a regular basis to Grade 5 students on the topic "What does a scientist do?" He also participates as a judge and Chair at regional and national Science Fairs for students.

The Calgary Booster is indeed pleased to present Dr. Andre Buret with an Honoured Athletic Leader Award for 2012.

JIM BURKE - Lacrosse

Jim Burke has been involved in the sport of lacrosse as a volunteer, coach, and administrator for over thirty years. He has coached the Canadian championship team from Calgary in the under-nineteen Men's Division. He was active in both the Greater Edmonton Lacrosse Council and the Calgary and District Lacrosse Association.

Jim was instrumental in forming the Canadian Lacrosse Foundation, a charitable organization established to ensure resources would be available to assist in the development of programs for athletes, coaches, and officials, and to create new programs for the development of lacrosse across Canada.

Jim has been the recipient of numerous awards for his volunteer service to lacrosse, including the Lester B. Pearson Award from the Canadian Lacrosse Association in recognition of an individual's unselfish dedication and contribution to lacrosse. He has been inducted into the Canadian Lacrosse Hall of Fame in the "Builders" category. He has also received an Alberta Sport, Recreation, Parks and Wildlife Volunteer Recognition Award.

The individual who nominated Jim called him a "Crown Jewel" for the sport of lacrosse. His personality, his honesty, his dedication, his high moral standards, and his way of conversing with all ages of people made him a pleasure to serve with.

It is with a great deal of pleasure that the Calgary Booster Club presents Jim Burke as an Honoured Athletic Leader for 2012.

RICHARD FOSSEY - Karate

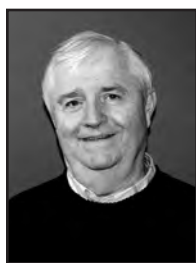

Richard Fossey has been a teacher of both students and instructors in the sport of Karate. He has been an administrator, a judge, and a mentor in this sport. Richard has also served as the President of the province-wide Amateur Karate Foundation.

After the head instructor of the Amateur Karate Foundation moved away, Richard took on the role of leader of the organization, and made it possible for the instructor to return to Calgary every two months to provide professional development. The clubs have grown in membership, and new clubs have been started as a result of Richard's vision of the future of the organization.

The Foundation now has two clubs in Calgary and eight clubs in Edmonton that have relied on Richard for assistance in many ways including student enrolment, marketing strategies, teaching material, development of instructors, and the organization of clinics and tournaments. When Richard travels to Edmonton as a coach for tournaments, he also conducts clinics and gradings.

Richard established the Karate Club at SAIT. It now includes instruction for all ages from children to advanced adults, as well as self-defence for women. Richard has also raised funds for charity through sport competitions, including the "We are Tough Enough" event which raised \$8,000 to help the Canadian Cancer Society help kids. In the following three years, the "Break the Cycle" campaign raised over \$30,000 for the Calgary Counselling Centre to help subsidize programs for individuals and families that have been affected by domestic violence. Richard has attained his 6th degree Black Belt, and he has also been featured on radio, Breakfast TV, and in the SAIT Weal.

The Calgary Booster Club is very pleased to honour Richard Fossey as one of our Honoured Athletic Leaders for 2012.

PAT FRANKS - Baseball / Hockey

Pat Franks grew up in Calgary with a passion for baseball and hockey. He won the City Championship in baseball with the Ramsay Royals in 1958. Pat also played Football with the Calgary Wranglers and the Mohawks in the Alberta Junior Football League. As an equal opportunity coach, Pat coached the Holy Cross Nurses Football team in 1970 and 1971.

Don Phelps, former Coach of the Calgary Canucks, said that he has known Pat for over forty years, and that he was always giving generously of his time for both hockey and baseball. When Pat's sons began to be involved with minor hockey, Pat jumped in as an organizer, coach, administrator, and as a director - both with

the Canyon Meadows hockey program and with the Calgary Buffalo Hockey Association. Pat also served as the registrar for Calgary Minor Hockey. During the summer, he kept involved with baseball, serving as a coach in the Continental West Little League starting in 1973. Pat began coaching hockey in 1977, and he has been involved in hockey since that time.

Pat has worked with the "Off-ice Officials Crew" in the NHL for many years. He volunteered at the Olympic Winter Games in Vancouver in 2010, and he had the good fortune of being selected to work at both the Bronze and Gold Medal games in Men's Hockey.

Pat joined the Calgary Booster Club in 1986. He was a very active volunteer in all events sponsored by the Club, and, during his tenure, he made a significant contribution to the Club. Pat was on the Executive for a number of years, and he was elected as the President of the Club in 2004 - 2005.

It is for his commitment and dedication to sport in Calgary that we recognize Pat Franks as an Honoured Athletic Leader in 2012

ROLF MARTIN - Tennis

Rolf Martin has been a leader in the sport of tennis for more than twenty-five years. He was one of the individuals involved in the formation of the University Dinos Tennis Team, and he served as the team manager for ten years. He was the manager until 1999. During that time, his team won many titles at the Western Championships. He still serves as a Director on the Dinos Tennis Society.

In the 1990's, the City of Calgary implemented a "pay-per-use" policy on public tennis courts. Rolf Martin appeared before City Council to present a compelling concern that public interest and participation, both vital to the future development of the game, would be affected. City Council abandoned the "pay-per-use" policy

as a result of his presentation.

In 2003, Rolf was responsible for starting the Racquet Central Tennis Tournament in Calgary. It has evolved from having the best provincial players as participants to attracting "Tour level" players from across North America.

Rolf has served on countless tournament committees. These tournaments ranged from non-competitive fun events and club events, to events involving juniors, seniors, and professional titles. Rolf has been the Club Manager and President of the Calgary Tennis Club, and he was an assistant "pro" at the Calgary Winter Club. Rolf has also served as a Director with Tennis Alberta, the Calgary Tennis Society, and the Dinos Tennis Society. Rolf has been and continues to be the "Go to" guy in matters of tennis across the province.

The Calgary Booster Club is very proud to recognize Rolf Martin as an Honoured Athletic Leader for 2012.

COLIN OGLIVY - Rugby

Colin Ogilvy has been a fixture in Alberta Rugby for the past thirty-five years. He began playing rugby at William Aberhart High School in 1971. The game consumed him. As a player, he was a fearless talent. He played rugby at both the provincial and national levels.

Colin has stayed with the sport of rugby volunteering as a youth developer, coach, tour organizer, tour leader, administrator, and official. For fifteen years, he was the President of the Calgary Canucks Rugby Club. During this time, he also coached U14 and U16 Teams, and he was the Vice-President for discipline in the Calgary Rugby Union - a prefect role for Mr. Ogilvy. He also organized several rugby tours

with the Canucks Rugby Club.

Colin is a driving force in the development and expansion of the Calgary Rugby Union Park, working to make it a world-class complex and facility. He has also been the President of the Calgary Rugby Union since 2006. He has worked with the Clearwater Cup, and personally funded multiple student-athlete scholarships. In 2004, Colin was recognized with the Canucks Hall of Fame Award as a "Lifetime Contributor" to this sport.

It is with pride and admiration that the Calgary Booster Club recognizes Colin Ogilvy's contributions to sport in Calgary by presenting him as one of our Honoured Athletic Leaders for 2012.

RON READ - Ski Jumping

Ron Read is a member of Calgary's "First Family of Skiing". His mother, Dorothy (Dee), was the Calgary Booster Club's Sportsman of the Year in 1990, and both she and his brother, Ken, are known for their achievements in the world of Alpine Skiing. Ron has left his indelible mark on the sport of Ski Jumping.

In the mid 1970's, Ron began coaching at the Lake Louise Ski Club. By 1980, he had moved on to officiating at the Mount Norquay ski jumps, and he quickly rose through the ranks to become a Technical Delegate, the lead official in Ski Jumping competitions. He has worked in this capacity at nearly every competition hosted in Calgary since 1988.

Ron served as a member of the Olympic Organizing Committee in 1988. In the 1990's, he became actively involved in competitive Ski Jumping when his children started in the sport. The Calgary Jumps were the only active competitive jumps in Canada. The sport was struggling, and he quickly became aware of the challenges facing it. Ron served on the Altius Nordic Board, was the Chair of this Board from 1996 to 2000, and he was the Chair of Ski Jumping Canada from 2000 until 2004.

Ron has been an active member of the Canadian Olympic Committee and the International Ski Federation (FIS) since 2000. He was instrumental in developing two successful proposals acted upon by the FIS. The first one was to create a women's Continental Cup series, followed by a women's event at the World Junior Championships in 2005. The second one was to include Women's Ski Jumping in the World Championships in 2009, and in the next Olympics in 2014.

Ron has worked tirelessly with parents and coaches to rebuild the sport of Ski Jumping in Calgary, setting a goal to bring the facilities at Canada Olympic Park up to their full potential. Ron Read is a passionate advocate of the sport of Ski Jumping, and the Calgary Booster Club is very pleased to recognize him as an Honoured Athletic Leader for 2012.

GREG STEINER - Football

Greg Steiner has made numerous contributions to sport in the city of Calgary over many years. Although his main endeavour was coaching football, Greg also spent two years coaching Little League Baseball, and he devoted a tremendous amount of volunteer time as a leader in his community.

Greg first accepted a position as the Head Coach in football in a high school program in the United States, where he spent two years coaching. When he started teaching at St. Francis High School in Calgary, he spent four years as an Assistant Coach, followed by eighteen years as the very successful head coach of the Junior Football Team. He coached for seven years without losing a league game. His team won ten City Championships, and they were silver medallists eight times. Most

importantly though, Greg's players had the utmost respect for him as their coach.

Greg has also spent thirty years as a leader in his community. He has devoted fifteen years of his time as a volunteer working on plans to build the Genesis Centre of Community Wellness, and seeing it through to fruition. This massive project is a new recreation and sports facility, which opened in January of this year. Building the Genesis Centre involved obtaining government and municipal support, fund-raising, building partnerships, engaging the community in this project, overseeing the design and the construction of the facility, and membership on its Board of Directors.

In his letter of support for this nomination, Alderman Jim Stevenson indicated that Greg is a person who is willing to see a project through to its conclusion.

Greg Steiner has made a tremendous contribution to the health and well-being of many citizens in our city. The Calgary Booster Club is indeed proud to honour him as one of our Athletic Leaders for 2012.

BYRON STEPHEN - Hockey / Fastball

For the past thirty-five years, Byron has been a dedicated coach and sport administrator in Calgary, Alberta and Canada. His volunteer career began by coaching minor and major bantam hockey teams. Since then he has coached peewee and ladies hockey teams, men's and ladies fastball and ladies slow pitch. The latter team won four provincial championships and a silver medal at Nationals.

While Byron was coaching, he became involved as an organizer. Initially he was on the executives of local sport associations such as community, boys and girls club, quadrant hockey associations and city leagues. In 1981, he was a goal judge at the Mac's Major Midget Hockey Tournament. Since then he has held various positions for the tournament, including eighteen years as executive director and is the current chairman.

Byron has been a leader in elite female hockey. He was the founder and president for eight years of the Alberta Major Midget Female Hockey League. He was also a founder and president of the Rocky Mountain Female Hockey League. At another level of play, Byron has been President of the Alberta Major Bantam Female Hockey League. He has also been a Board Member of Hockey Alberta where he served as Female Council Chairperson. Nationally, he has been a director with Hockey Canada as the Female Council Chairperson and was a member of the Women's High Performance Policy and Domestic Championships Committees. He was Chairperson of the 2009 ESSO Cup National Midget Female Hockey Championship. Internationally, Byron has been Co-Chairperson of the 2008 IIHF World Under 18 Female Hockey Championship, the inaugural event for this championship.

Byron has been a volunteer for charity events. He has a passion to raise funds for the Ronald MacDonald House of Southern Alberta; consequently, he has donated time to the Cassie Campbell Street Hockey Festival. He has also organized beach volleyball tournaments for the Kid's Foundation and slow pitch tournaments for other charities.

Byron is known as a players' person – someone who bases his decisions on the effect that they will have on the players. His passion for sport is evident by the number of times that he is a fan at amateur hockey games throughout Calgary and Alberta.

Byron's efforts and accomplishments have been recognized locally, provincially and nationally. Three of them are 2006 Merit Award from Hockey Calgary, 2007 Meritorious Award from Hockey Alberta and 2002 Female Hockey Breakthrough Award by Hockey Canada.

The Calgary Booster Club is extremely proud to recognize Byron Stephen as an Honoured Athletic Leader.

The Calgary Booster Club and Talisman Centre

The Calgary Booster Club has been a vital part of the city since it was founded in 1951. They were instrumental in pushing forward the successful bid for the 1988 Winter Olympic Games in Calgary. That landmark achievement alone ensures the Calgary Booster Club a prominent place in Calgary's history books. "One of the Calgary Booster Club's greatest achievements was being the catalyst for the 1988 Calgary Winter Olympic games, while Talisman Centre was the catalyst for the 1983 Western Canada Summer Games," says Jeff Booke, Chief Operating Officer of Talisman Centre.

The Booster Club volunteers are hard at work year-round to develop and encourage athletic endeavour in the city. The Booster Club famously recognizes the Calgary Sportsman of the Year, Honoured Athletic Leaders as well as female and male athletes of the year. They also support and recognize athletic excellence in High School sports, and provide a number of generous athletic grants and awards.

The Calgary Booster Club's passion and dedication to athletic endeavour make them a perfect fit with Talisman Centre, and the two organizations have enjoyed a long and mutually beneficial friendship. Since 1987, Talisman Centre has been the home of the Calgary Booster Club's Sports Wall of Fame which recognizes recipients of the Club's awards. In 2012, the Sports Wall of Fame will be reintroduced as a "living" digital display at Talisman Centre and will also feature the 1988 Winter Olympic torch and 2010 Winter Olympic torch. This digital display will provide the Calgary Booster Club with a new public portal to promote its events, awards, and celebrate athletic achievement.

From providing funds and volunteers for athletic events, to the awarding of scholarships and grants to high school, and post-secondary programs, as well as recognizing outstanding contributions made by Calgary athletes and athletic leaders, the Calgary Booster Club is one of this city's most valuable organizations.

Talisman Centre is proud to have a close relationship with the Calgary Booster Club and looks forward to celebrating athletic endeavour with them for many years to come.

Christine Nesbitt

Speed Skating Canada and all its members wish to congratulate Christine on this great achievement. Recognition well deserved.

Christine's summer training in 2010 was difficult because she was hit by a car and suffered a broken elbow. Nevertheless, in 2011 at World Cup events, she collected five gold medals at the 1000m distance, four at 1500m, one in Team Pursuit, and two bronze medals in 1500m. Christine ended the year as the 1500m World Cup Champion and the World Cup Runner-up in the 1000m. At the Allround Championships, she won the 500m and placed second overall. At the World Single Distance Championships, she won gold medals in Team Pursuit and in the 1000m distance, making her the World Champion at 1000m for the third successive year. The highlight of her year was being crowned the World Sprint Champion.

Christine is a native of London, Ontario. At the age of twelve, she chose short-track speed skating over hockey. By age fifteen, she was the Ontario Junior Short Track Speed Skating Champion. In the following two years, Christine was ranked the top Ontario female junior and senior short track speed skater.

Christine desperately wanted to attend McGill University so that she could train at the National Short Track Speed Skating Centre. That was the year that both grade 12 and grade 13 students graduated from high school. Although her marks would have allowed her into McGill the previous year (and in subsequent years), she was not accepted. She decided upon the University of Calgary, and she switched to long track speed skating. As with her short track career, her development as a long track speed skater proceeded rapidly. One and a half years after taking up the sport, Christine earned a spot on the 2004-2005 National Team.

The following years saw Christine win many World Cup medals, World Cup Championships, World Championships, and Olympic medals. Her achievements were recognized by being selected as the Canadian Female Athlete of the Year in 2009.

The Calgary Athlete of the Year Award was started in 1958 by the Calgary Press Radio TV Sports Club. The award was given to the top male or female athlete in Calgary until 1987 when the Henry Viney Trophy was instituted for the top female athlete of the year. The Calgary Booster Club has coordinated the recognition program since 1990 after the Sports Media Club folded. The Calgary Booster Club honoured its first athlete at the 1956 Sportsman of the Year Dinner - a young football star named Normie Kwong, who was Alberta's Lieutenant-Governor from 2005-2010.

SCOTT-MAMINI AWARD WINNER

Jon Cornish

Jon was born in New Westminster, B.C. He attended high school in Burnaby and participated in basketball, track and field and football. He was selected as British Columbia's provincial high school football player of the year in 2001. After high school, Jon attended college in Kansas. In his senior year at Kansas, he rushed for 1,457 yards, a single-season Kansas record.

Jon Cornish signed with the Calgary Stampers in 2007, spending most of his time with the special teams unit. In 2008, he served as the primary backup at running back and scored his first professional touchdown against his hometown BC Lions in the last game of the regular season. His greatest contribution came on special teams as he led the team with twenty-one tackles.

Jon was a part of the 2008 Grey Cup Championship Team. After suffering an injury during the 2009 pre-season, Jon returned to action in Week 4. Once again he served as primary backup at running back and was valuable on special teams. In 2010, his fourth season with the Stampers, Cornish established a number of career highs and earned the Stampers' nomination for the Canadian Football League's Most Outstanding Canadian award. His 7.3 yard average per rush was tops in the CFL among running backs.

Despite not making his first start of the past season until Week 13, Cornish led the Stampers in rushing, was first among all CFL running backs in rushing touchdowns, tied for the league in total touchdowns, and earned West Division All-Star recognition. In addition to his excellent work on offence, Jon tied for second on the club with thirteen special-team tackles and returned eight kick-offs for 167 yards. He was named the CFL's Canadian player of the week three times and the top offensive player once. For the second year in a row, Jon was the Stampers' nominee for the CFL's Most Outstanding Canadian award.

The Calgary Senior High School Athletic Association was established in 1913 to provide competitive athletic opportunities for students in Calgary high schools. The Association believes that the interscholastic athletic program, as a recognized part of the school program, is educationally sound and will enhance the physical, mental, emotional and social development of young people.

Annually, 10,000 student athletes participate in twelve sports including football, cross country, soccer, volleyball, diving, wrestling, basketball, swimming, rugby, track and field, badminton and field hockey.

The CSHSAA is unique in many ways, but is recognized nationally for its belief that the amalgamation of Calgary's two educational systems into one common athletic association is in the best interests of the residents of Calgary. As such, the Calgary Board of Education and the Calgary Catholic School District have worked together harmoniously for decades. As well, the partnership with the Calgary Booster Club over the past five decades has been beneficial to hundreds of student athletes.

Since 1956, 380 student-athletes have been honoured for their academic and athletic excellence. The Calgary Booster Club has also awarded 230 maximum participation scholarships to student-athletes for a total investment of \$290,250.

The Calgary Senior High School Athletic Association congratulates the Calgary Booster Club on their tremendous success and appreciates their involvement in high school athletics.

Calgary Sport Council
congratulates the
Honoured Athletes,
Athletic Leaders and
2012 Sportsman of the Year,
Carol Kyle.

Thank you to the Calgary Booster Club for their continued support and dedication to sport in Calgary.

University / College Athlete Awards

Mount Royal University

Cougar Female Rookie of the Year – Maddie Pedersen (Women's Golf) - In just her first year with the program, Pedersen led the women's team to an Alberta Colleges Athletic Conference (ACAC) championship, and also finished first in the individual competition. Pedersen had a stroke average of 84.5 for the 2010-11 season, and finished ninth in the field at the Canadian Colleges Athletic Association (CCAA) National Championships in Kamloops, BC. Maddie has been excellent both in the classroom and on the course, and has been very active in the MRU campus community. Born and bred in Calgary, Maddie one day aspires to be a special needs teacher.

Cougar Female Athlete of the Year – Andrea Price (Women's Volleyball) - Andrea Price is one of the top players in Canadian collegiate volleyball. She finished the year with 188 kills, 139 digs, and 17 blocks and was a plus 125 for the year. A quiet leader, Price's ability to keep her teammates calm and positive on the court helped guide the Cougars to a league-best 19-1 regular season record. Price's outstanding play led the Cougars to an ACAC Championship title and the school's first ever CCAA women's volleyball National Championship – where she was named Tournament MVP. Originally from Drumheller, Andrea is enrolled in Open Studies at Mount Royal.

Cougar Male Rookie of the Year – Matt Chan (Men's Badminton) - Matt Chan began his season winning the first ACAC men's singles tournament and didn't stop there, winning three of the four singles' tournaments and finishing as runner-up in the other. Matt placed second at the ACAC championships, a huge accomplishment for the 18 year old rookie. In addition to his stellar play in singles competition, Matt also excelled in the team game, finishing second at the ACAC championships in men's doubles and fifth at the CCAA Nationals. A Calgary native, Matt's tenacity and natural leadership abilities are huge assets to his team. Matt is taking Open Studies at MRU.

Co- Cougar Male Athletes of the Year

Cam Dodd (Men's Basketball) - Fifth-year student-athlete Cam Dodd is a three-time All-Conference point guard and the captain of the Cougars men's basketball team. He has received numerous Athlete of the Week awards and leads his team in scoring, assists and steals. He is a tenacious defender who always puts the team first and led the Cougars to an ACAC bronze medal this season. Dodd has been a great ambassador for Mount Royal since he stepped on the court five years ago and will graduate from the Bachelor of Business Administration Program this spring.

Justin Cote (Men's Hockey) - Justin Cote had an outstanding year for the Cougars, finishing third in save percentage and second in Goals Against Average (GAA) in the ACAC with an outstanding 1.91 GAA while leading the entire conference with 12 wins. In addition, he logged over 1000 minutes in goal, including two shutouts. Cote is an extremely hard worker on the ice and in the classroom, and his coach calls him one of the hardest working student-athletes on the team. When not on the ice, the Calgary native is busy with the Bachelor of Business program at MRU.

Southern Alberta Institute of Technology

Female Athlete of the Year winner: Rachel Caputo, SAIT Trojans women's basketball

In the Trojans' ACAC leading 17-1 regular season record, third year guard Rachel Caputo led the ACAC South Division in scoring. She notched an impressive 17.56 points per game average, 41.5 field goal percentage, 30% 3-point average, 3.56 rebounds/game, 2.2 steals/game and 1.7 assists per game. This ACAC First Team All Star and CCAA All-Canadian had a complete game –scoring, rebounding, passing and defence, despite her lack of size at 5'7".

Most memorably, Rachel Caputo showcased one of the most impressive performances in SAIT basketball history during the deciding game of the ACAC Quarter-Finals in 2011 by scoring 23 points in the 4th quarter to finish the game with 38 points, 7 rebounds and 4 more steals in the SAIT victory over the Augustana Vikings.

Overall, she is a very classy player –win or lose. Academically, Caputo boasted a 3.57 GPA in Business Administration. Along with her Trojan teammates, she takes part in coaching clinics for junior high schools and helping out in the community with worthwhile causes such as the Calgary Boys and Girls Club.

Male Athlete of the Year: Mike Ullrich -Men's Hockey (forward, Banff, AB, Hospitality Management)

Mike Ullrich, in his second season with the Trojans, won the 2009-210 ACAC men's hockey scoring race this regular season with 53 points, including 17 goals in 28 games and only eight penalty minutes. He added in nine points in the post-season to help hoist the SAIT Trojans' fourth straight ACAC Championship men's hockey title this March. For his remarkable 2009-2010 season, the ACAC recognized Ullrich as male ACAC Conference Player of the Year as well as ACAC Top Scorer. He also is an accomplished student in the Hospitality Management program.

He was part of two medal-winning relays for the Dinos at the Canada West championships in Saskatoon, helping the squad bring back the Canada West title for the first time since 1999.

TESSA MILLER – Women's Soccer In her fourth season with the Dinos, Tessa Miller was again the team's offensive leader with six goals and eight points on the season – marking the fourth consecutive season she has led the Dinos in scoring. Off the field, Miller earned a GPA of 3.96 in the Faculty of Kinesiology's pedagogy program over 24 credit hours. A native of Calgary, Miller trained with the Elbow Valley Villains soccer club and graduated from St. Paul's Academy.

BROCK NIXON – Men's Hockey Forward Brock Nixon joins Miller as a back-to-back winner of the Calgary Booster Club Scholar-Athlete Award. He finished the regular season with 19 points in 28 games, second-best on the team, and led the Dinos to the Canada West final with six points in their first five playoff games.. After a five-year career in the Western Hockey League that started with the Kamloops Blazers and wrapped up with the Calgary Hitmen, Nixon joined the Dinos and has excelled on the ice and in the lecture theatre. Working toward his Kinesiology and Education degrees, Nixon led his team with a 3.56 GPA and hopes to become a high school P.E. teacher.

HAYLEY WICKENHEISER – Women's Hockey Wickenheiser was named one of Canadian Interuniversity Sport's Top 8 Academic All-Canadians in 2010-11, becoming the first University of Calgary athlete to win the top academic award since Kelly Matheson in 2000. Wick continued her success on the ice and in the classroom in 2011-12. Playing 16 games for the Dinos, she racked up 32 points and was named a second team All-Canadian – all while maintaining a 3.96 GPA in the Faculty of Kinesiology.

Calgary Booster Club Citizen Award Recipients 2010 - 2011

Andie-Lynn Gingrich - Grade 9

Andie-Lynn Gingrich can light up a room. Her energy and enthusiasm can inspire even the drowsiest of classmates. She is a strong leader who respects and encourages the input of others. She offers to explain difficult concepts to those struggling during class and is forever volunteering to get involved in school initiatives. Her philanthropic pursuits go beyond our school community she has been part of the ice patching brigade for Winsport. She has volunteered at several skating competitions in various roles. Currently she assists with coaching the CanSkate program in B.C.. Warm, kind, and compassionate are words that best describe Andie-Lynn. NSS is a better place for all of us because Andie-Lynn is a student here. As Andie-Lynn is away training and competing in Vancouver we would like to thank her mother Kim Lewis who is here to accept the honour on her behalf.

Sydney Van der Voort - Grade 10

How does Sydney van der Voort display citizenship? It is really not one big event where Sydney demonstrates her caring, but the many little ones she does that all add up. At school, she has a presence and way of being that other students notice and look up to. When asked, she openly shares her beliefs and values while honouring perspectives that differ from her own. Beyond school and her alpine ski racing, she is actively involved in her church youth group and spring soccer. Most weekends she isn't away skiing she can be found volunteering her time in the Children's Ministry at Church by leading or assisting with the nursery, toddlers or grade school – wherever she is needed most. With a quiet caring heart she is always willing to do what is required whether it be getting up at 5:30 a.m. on Boxing Day to serve breakfast at Inn from the Cold, or to help coach the K1 skiers when the coach is injured while she herself is recovering from a concussion, or making sure she spends time with her special needs cousin who needs an understanding friend, or giving the young Nancy Greeners a piggyback ride in the lodge while parents try to collect their scattered equipment, or demonstrating soccer skills to younger players when the coach needs some help, or donating to the Calgary Dream Centre, or collecting coins to fill a baby bottle for the Calgary Pregnancy Care Centre, or listening to her fellow athletes and supporting them when they are having a tough day. Although quiet and unassuming by nature, Sydney is someone you soon learn will never say no if someone needs help. She demonstrates a determined and loving heart. It is my honour to present the 2011 Calgary Booster Club Citizenship Award for grade 10 to Sydney van der Voort.

Kaitlyn Verge - Grade 11

Kaitlyn Verge is one of the most respectful and hardworking students at the National Sport School. Her positive attitude toward her teachers and fellow students stems from an intrinsic awareness of the goodness to be found in every person she meets. Kaitlyn has a strong understanding of social issues and world events, and she is passionate about doing something about them. In fact, when she did a project on Nigeria last year she was upset to see the environmental impact of their oil and gas operations. She wrote letters to Shell and to various groups trying to affect change.

In addition, Kaitlyn likes being a mentor for younger kids. She takes the time to talk to them. Many of them stated that, "she talks to us and treats us like people". She is always willing to help and will go out of her way if she sees someone needing a hand. While Kaitlyn has shared her experiences with younger people through her involvement with the Speaker's Bureau, the place where she especially demonstrates her caring is in her presence at the sport school and on the ski hill with her teammates. She has a quiet and powerful presence of dignity and integrity that is hard to describe but instantly apparent when you meet her. It is my honour to present the 2011 Calgary Booster Club Citizenship Award for grade 11 to Kaitlyn Verge.

Jayden Starnino, Bob Midyette Citizenship Award Grade 12

Jayden is being awarded the Citizenship Award. He is a mature and responsible student, brother and member of his community. Jayden leads by example both socially and academically. He strives to excel and maintain a healthy balance at school and in his sport. These qualities make him an excellent role model for his peers and his younger siblings. Jayden is known in his community and at school as being approachable, warm and friendly and always willing to lend a hand. Over the years at NSS, this has included explaining concepts to his classmates and helping his teachers with various tasks.

Jayden has a passion for the environment and has been a member of Greenpeace. He has willingly volunteered to assist neighbours and friends doing odd jobs whenever he knew they needed assistance. Jayden also ran his own ski tuning business from the age of twelve years old with many return customers. Jayden has a real interest in the Buddhist concepts of mindfulness, awareness and happiness. He thinks the Dali Lama is a great guy and he has read and re-read "Happiness", by Thich Nhat Hanh. Jayden has always been a young man who followed his own path and didn't worry about current trends or what others might think was cool. Jayden did his first Big Mountain Ski Competitions last year and received a Gold and Silver in two out of the three comps he entered. He loves the challenges and competitive freedom of style in these competitions. His first love is skiing as he counts the days until he can be on snow again. He plays guitar, loves the trampoline and mountain biking.

Virtual Wall of Fame Project

The Calgary Booster Club continues to seek funding to install a “living wall” Sports Wall of Fame at Talisman Centre. As envisioned, a TV monitor will display photos and biographies of past Sportsmen of the Year, Athletes of the Year, and Honoured Athletic Leaders. It will profile annual recognition programs such as the Senior High School Athlete Scholarship winners and the Art Smith Amateur Sport Legacy Fund recipients. The 1988 Olympic Torch will be remounted along with a 2010 Olympic Torch donated by Ernie McCullough, a founding member of the Booster Club. This torch has special significance because Erie, who represented Canada as a track and field athlete at the 1948 London Games, 62 years later carried the 2010 torch as part of the cross Canada tour.

In 1987 the “Sports Wall of Fame” was opened at Talisman Centre providing a complete history of the best in Calgary athletes and sports leaders. Unfortunately, by 1998 there was no longer space for new names and the display was physically deteriorating. The Sports Wall of Fame and the accompanying 1988 Olympic Torch Display was removed when Talisman Centre replaced the iconic tent roof and undertook major interior renovations.

1988 Olympic Torch Display

The Calgary Booster Club passed a motion on September 11, 1978 to look into the possibility of Calgary hosting the 1988 Olympic Winter Games.

On February 13, 1988, Harry Maubert, representing the Calgary Booster Club, used the torch to officially light the cauldron at the Olympic Plaza.

Petro Canada, sponsor of the cross-Canada torch relay, presented this torch to the Calgary Booster Club on June 6, 1988 in recognition of the club's major contribution to the XV Olympic Winter Games. The torch will be on display in conjunction with the Calgary Booster Club Virtual Wall of Fame at the Talisman Centre.

THE CALGARY FOUNDATION

FOR CALGARY FOREVER

Calgary Booster Club

The Calgary Booster Club would like to thank The Calgary Foundation's generous grant for a "History and Archival Project for Amateur Sports in Calgary".

Sportsman's Wall

Since 1954, the annual Sportsman's Dinner has been dedicated to the person(s) selected Calgary Booster Club Sportsman of the Year. The Sportsman has customarily been one of the city's athletic leaders who has greatly contributed to the local sport scene. To further recognize these outstanding Calgarians, the Booster Club maintains a permanent pictorial showcase of all Sportsman of the Year honourees.

The Sportsman of the Year Wall was unveiled at the ATCO VIP Centre at Canada Olympic Park on March 25, 1990 and at the

time of the unveiling, contained the pictures of the Calgary Booster Club's 45 award recipients. As each year's winner is announced, their picture is added to the display.
