On behalf of City Council and the citizens of Calgary, it gives me great pleasure to welcome you to the Calgary Booster Club's 44th Annual Sportsman of the Year Dinner.

For many years, the Calgary Booster Club has been actively involved in promoting, supporting and sponsoring amateur sport in our great city. Every year, countless amateur athletes in our community benefit from your encouragement and good will. Calgary's reputation for enthusiasm and spirit surely is well represented here this evening. Thank you for your long tradition of leadership in the field of amateur sport.

This year's recipient of the Sportsman of the Year Award embodies what sports means to Calgarians. Tom Humphrey has spent a career promoting high school athletics in our city. Mr. Humphrey's leadership and example has provided generations of Calgary's athletes with the inspiration and dedication to meet the challenges of competition, while never losing sight of the key ingredients of success: enjoyment, camaraderie, and most of all fun. Congratulations on all your accomplishments!

As we salute Calgary's Sportsman of the Year, we also honour and recognize every athlete who embraces the dedication and commitment required to perform at a high level. As you strive for excellence in your chosen sport, please be confident that Calgary supports and values your efforts.

I would also like to take this opportunity to thank all the individuals who participate in amateur athletics as coaches, volunteers, officials and organizers. You are the backbone of amateur sport in our city. It is through your efforts that young athletes in our city have the opportunity to develop and hone their skills. Thank you for your leadership!

Congratulations to all of tonight's honourees. Calgary joins me in wishing you all the best both now and in the future!

Sincerely,

Al Duerr

Reg Verley

We welcome you to our 44th Annual Sportsman of the Year Dinner.

The Calgary Booster Club is proud of its long term tradition in recognizing the contributions and achievements in sport within our city. Calgary is recognized for the volunteerism and friendliness we provide to our visitors.

The growth in the population of Calgary, complimented with its world class sport facilities, continue to make our City attractive for high performance sporting groups and athletes to call home. These facilities also provide a unique opportunity for many Calgarians to experience sport on a multitude of levels.

Our High School Athletic Program, which has both the Public and Catholic School systems working together,

continues to be an ideology of many other cities. The dedication and commitment of our teachers in providing guidance, in both sport and community involvement, for their students is reflected in the quality of the athletes and the leadership these young citizens bring to our community. We are proud of our collaboration with the Calgary High School Athletic Association.

The ongoing support which we receive from Corporate Calgary is appreciated. During these challenging financial times, it is vital that we can continue to provide assistance where it is required within our sport community. The Calgary Booster Club would entertain discussions with organizations or corporations that may be interested in pursuing partnership arrangements.

In closing, we thank you for your support and trust you will continue to assist to ensure sport continues to flourish in Calgary.

"High school athletics are very important. If the athletics and phys.ed. side of school life is doing well, it reflects through the whole school. Young people need a pat on the back, they need to respond to challenge and above all there must be FUN involved." That's the philosophy of the Calgary Booster Clubs 44th Sportsman of the Year Tom Humphrey.

Tom was born in 1920 in High River, Alberta and grew up in the Okotoks area south of Calgary. During World War II he served a European tour of duty in the RCAF as a navigator. Following the war he and Bernice married (in 1945); over the years the

family of four sons and a daughter has expanded to include eight grandchildren.

During the post war years Tom earned his Bachelor of Education at the University of Alberta and began his career as an industrial arts instructor in southern Alberta (Cayley, Vulcan, Mossleigh) before settling in Calgary in 1951. In the early 60's as an assistant principal and later principal at Ernest Manning and Dr. E.P. Scarlett High School, Tom began his impressive involvement in sports serving as:

- executive member of the Calgary Senior High School Athletic Association (including president)
- announcer for high school football, track and field
- president of the Alberta Schools' Athletic Association
- member of the Canadian Federation of Provincial Schools Athletic Association
- secretary of the Canadian Federation of Provincial High School Athletics.

Tom has always had a deep interest in helping the continued development of amateur sport as:

- a member of the Founding Committee for the Alberta Games (Summer, Winter, Seniors) in 1973 and holding various executive positions for some 15 years.
- a member and now honorary life director of the Calgary Booster Club.

His dedication to athletics has helped thousands of athletes, coaches and officials across Alberta. The 1981 Robert Routledge Award of Merit recipient is well respected by former students and colleagues alike and is a most deserving selection as Calgary's 1997 Sportsman of the Year.

Athletic Leaders

HENRY VINEY AWARD WINNER*Christine Nordhagen*

Christine Nordhagen, a 25 year old member of the University of Calgary Wrestling Club will be presented the Henry Viney Award as Calgary's Female Athlete of the Year for a tremendous 1996 during which she won a Women's World Wrestling Championship gold medal (68 kg class) and a national senior championship. Her success earned her 1996 Canadian Female Wrestler of the Year honours. The math and phys.ed. teacher at Ernest Manning High School was also victorious at international competitions in France and the U.S. Her ability, dedication, strength and mental toughness have certainly "helped bring respect

to women's wrestling on a national and international level." Christine Nordhagen is a deserving winner of the Henry Viney Award.

SCOTT-MAMINI TROPHY WINNER*Curtis Myden*

Curtis Myden, a 23 year old Kinesiology student at the University of Calgary will receive the Scott-Mamini Trophy as the city's Male Athlete of the Year for his thrilling performances in the pool at the 1996 Summer Olympic Games in Atlanta, Georgia. He captured bronze medals in the 200 m I.M. (individual medley) and in the 400 m I.M. establishing new Canadian and Commonwealth records in both events in the process. The CIAU (Canadian Interuniversity Athletic Union) Academic All-Canadian also won gold in the 200 I.M. and 400 I.M. in leading the University of Calgary to the Canadian university swimming championship. His

outstanding season vaulted him into the national and international spotlight. Recently Myden was named the Calgary Booster Club Scholar Athlete of the Year at the University of Calgary; he is a finalist for the Howard Mackie CIAU Outstanding Athlete of the Year. Curtis Myden's focus, spirit and confidence make him a worthy recipient of the Scott-Mamini Trophy.

This year is the beginning of an exciting partnership between the Calgary Booster Club and the City of Calgary to increase recognition of athletes and special achievement within the community.

Over the past years, the Booster Club has honoured athletes, achievement special and junior achievement at its SOY dinner. This recognition was for recipients who had met the stringent criteria for accomplishments in the previous year. In Calgary, this number has grown to the point where honouring these people at the banquet was becoming unwieldy and the impact lessened. At the same time, the City of Calgary had a similar recognition program in place for these same people but was also experiencing problems with the increased numbers. Discussions between the two organizations resulted in the combining of forces and the beginning of this joint program.

Now athletes and achievers will be recognized on a quarterly basis throughout the year with a Medallion of Excellence from City Council and the Calgary Booster Club. These recipients will now be recognized in a timely manner and with increased attention. This will allow the Sportsman of the Year dinner to go back to its roots, recognizing our Sportsman and Honoured Athletic Leaders at a fund raising event.

It was 18 years ago that Cari Read shook the dust of Edmonton from her clothes and settled in Calgary with her family. Her mother Lorna, father Richard and brother Chris are, and have been, staunch supporters of her competitive swimming career. A swimming pool has been a part of Cari's life for as far back as she can remember and it looks to remain that way in the future. Now that her competitive days are complete she has turned her attention to coaching synchronized swimming.

In the nine years that Cari has been a member of the Canadian National team she has become quite an ambassador for the sport. She has toured in Malaysia and Australia promoting synchronized swimming at clinics and workshops in both countries. Together with Karen Fonteyne she was Canadian Duet Champion in 1993. She also represents her fellow team members and coaches at school appearances and as team spokesperson for charitable organizations like The Heart and Stroke Foundation. In addition to public speaking Cari has also dabbled in media writing supplying the Calgary Herald with a regular column during the 1996 Atlanta Olympics. It was in Atlanta that Cari and the other members of the Canadian National Synchronized Team won the Silver Medal in the Team event.

Cari is a graduate of the Calgary Board of Educations' Sir Winston Churchill High School and The Viscount Bennett Centre. Currently a student at the University of Calgary studying towards a Bachelors of Arts degree in Communications, she will be graduating in 1997. In conjunction with her swim training, Cari also likes to run distances, is a skier, and enjoys fly fishing in the lakes and streams of Alberta.

Cari is an excellent representative for her sport Synchronized Swimming, the City of Calgary, the Province of Alberta and Canada. The Booster Club and the citizens it represents congratulate you Cari.

Ronald S. Bremner

It was in 1947 that Ronald S. Bremner saw the light of day in Hamilton, Ontario. He completed his formal education at the University of Guelph and began his experiential education in broadcasting in 1972. He left Standard Broadcast Sales, where he was a national sales representative in radio, to move west to Vancouver and CKNW Radio. From 1974 to 1979 he was in retail sales with this radio station. His promotion to Sales Manager in 1979 was the beginning of a succession of managerial positions such as Vice President of Sales, Vice President and General Manager and finally President. Ron left CKNW to become President and Chief Executive

Officer of BCTV in September of 1990.

Along with his wife Gail and son Scott, Ron moved east across the mountains to Calgary, his other son Mark remained in Vancouver. This most recent move became necessary when Ron was offered and accepted the position of President and Chief Executive Officer of the Calgary Flames Hockey Club in May of 1996. His 23 years in broadcasting and marketing made him the prime candidate for the Flames.

His solid business credentials together with his open and honest people skills made him a natural for both professional and volunteer positions he has held over the years. His organizational skills were utilized when he served as Chairman of the Television Board of the Canadian Association of Broadcasters and as an Executive of the Television Bureau of Canada. His team building and motivational skills were honed during his service and community organizational involvement. He worked with and was a member of the Salvation Army Advisory Board, the New Westminster Police Board, the Shawnigan Lake School Board of Governors and was Chairman of the Royal Columbia (Hospital) Foundation.

In May of 1996 Ronald S. Bremner was honoured by being named British Columbia's Broadcaster of the Year. In November of 1996 he was again honoured by receiving the 1996 Golden Heart Community Achievement Award the Variety Club's highest recognition for community service.

Calgary welcomes you Mr. Bremner and wishes you similar success in our city.

"My parents moved around a lot, but I always managed to find them." says Bryn Thiessen when asked to describe his background. He has been described as a Cowboy, Mountain Man, and philosopher by others but he describes himself as Rancher, Poet and a unique individual, so perhaps his quote accurately describes this eclectic approach to life.

Bryn Thiessen was born in Rocky Mountain House but grew up and was educated in the Sundre area. The rural life he enjoyed with his four sisters and parents Clancy and Elsie had a profound effect on his life. The practical life experiences of the ranching environment shaped the way he has viewed the world and how it has impacted those with whom he interacts. Bryn first became involved in public speaking while a member of the local 4-H Club. At about the same time he also began to write poetry. However, it has only been in the last 15 years or so that he put the two together and began to perform.

His poetry performances have taken him into each of the Western Provinces, as well as many of the northwest states in the U.S.A. He is an author of books and poetry and calendars that display his philosophy and poetic muse. Bryn has appeared on CBC's Radio and Television programs such as Wayne Rostad's "On the Road Again" and has been well received by those audiences. His poetry can take you on a visit to a quiet mountain meadow or tickle your funnybone into deep belly laughs.

In his free time, away from running his small herd of 65 or so cows and a similar number of horses, Bryn keeps busy appearing at schools, community centres, senior centres and church groups on a volunteer basis. He is the driving force behind the summer camp, "Pioneer Ranch Camp," in the Sundre area of the Alberta foothills. His lifetime as a cowboy and the "on the job training" it provided, ensure that the children who attend this facility enjoy a memorable camp life.

The Calgary Booster Club welcomes you Bryn and supports your community spirit.

SPORTSMAN OF THE YEAR*Endowment Fund*

In 1990 the Calgary Booster Club, in association with the Alberta Sport Council, established the Sportsman of the Year Endowment Fund. The interest generated by the Fund is used to provide \$1,000.00 awards to Calgary's finest high performance athletes. The Calgary Booster Club and the Alberta Sport, Recreation, Parks & Wildlife Foundation recognize and appreciate the commitment and achievements of these athletes and hope the awards help them to attain their goals.

An award is presented in honour of one of the Calgary Booster Club's Sportsman of the Year. The Club considers it a pleasure to have supported the following athletes since 1990:

The Calgary Booster Club passed a motion on September 11, 1978 to look into the possibility of Calgary hosting the 1988 Olympic Winter Games.

On February 13, 1988 Harry Maubert, representing the Calgary Booster Club, used the torch to officially light the cauldron at the Olympic Plaza.

Petro Canada, sponsor of the cross-Canada torch relay, presented this torch to the Calgary Booster Club on June 6, 1988 in recognition of the club's major contribution to the XV Olympic Winter Games. The torch is on display in conjunction with the Calgary Booster Club Sports Wall of Fame at Lindsay Park Sports Centre.

THE CALGARY BOOSTER CLUB

“Dedicated to the development and encouragement of athletic endeavour”

The Calgary Booster Club hosts its 44th Sportsmen’s Dinner this year, and celebrates a long and proud tradition of athletic involvement in Calgary. The founders of the club held their first informal meeting at the Club Cafe in downtown Calgary in 1951. Perhaps the greatest contribution occurred in 1979 as the club played its role as the catalyst for the 1978 Winter Olympic Games bid. Directors of the club continue to serve Calgarians in their athletic pursuits which include:

Recognition of Calgary’s Outstanding Sportsmen

- Recognize annually, the Calgary Sportsman of the Year
- Recognize with the Calgary Sports Media Club the City’s Female Athlete of the Year, who receives the Henry Viney Award
- Recognize with the Calgary Sports Media Club the City’s Male Athlete of the Year, who receives the Scott-Mamini Trophy.

Co-sponsorship with the Calgary Senior High School Athletic Association

- Recognition annually of eight student athletes for outstanding achievement academically, athletically, and within the community
- Host annual volleyball and basketball tournaments and swimming and diving meets

Historic Contributions

- Hosted the Calgary International Track and Field Meets
- Co-hosted the annual Calgary Fall Road Race
- Hosted the outdoor Provincial Track and Field Meet

In 1984, the Calgary Booster Club approved the concept of a permanent display of recognition for its leadership and athletic award winners. After reviewing potential locations and arranging the necessary funds, an agreement was reached between the Club and the Board of Directors of

Lindsay Park Sports Centre to house the display in their highly used public athletic facility.

The Calgary Booster Club Sports Wall of Fame was opened to the public on December 9, 1987. As each year's group of award recipients is announced, their names will be added to the display providing a complete history of the best in Calgary athletes.

Since 1954 the annual Sportsmen's Dinner has been dedicated to the person(s) selected Calgary Booster Club Sportsman of the Year. The Sportsman has customarily been one of the city's athletic leaders who have greatly contributed to the local sport scene. To further recognize these outstanding Calgarians, the Booster Club

maintains a permanent pictorial showcase of all Sportsman of the Year honourees.

The Sportsman of the Year Wall was unveiled at Canada Olympic Park Atco V.I.P. Centre on March 25, 1990 and at the time of the unveiling contained the pictures of the Calgary Booster Club's 37 award recipients. As each year's winner is announced their picture is added to the display.

PAST WINNERS

Henry Viney Award

The Calgary Sports Media Club decided in 1987 to choose a Female Athlete of the Year on an annual basis. The new award was named in honour of Henry Viney, the well-respected former Sports Director of CFCN Radio-Television. Henry covered many major sporting events around the globe and was the recipient of many awards including Canada's Sportscaster of the Year (1967) and Calgary Booster Club Sportsman of the Year (1976). Henry passed away in 1980 at the age of 69.

The Scott-Mamini Trophy was initiated by Calgary's Sports Media in 1958 and was awarded annually to the City's Athlete of the Year as chosen by the media. That continued until 1987 when it became the Male Athlete of the Year Award. It is named in honour of Harry Scott, the gruff Sports Editor of the Calgary Albertan and his counterpart at the Calgary Herald, the more lovable, Bob Mamini. Both men were held in high esteem across Canada during the 1930's and 1940's.
