PRESIDENT'S MESSAGE

TREVOR WILLIAMS

The Calgary Booster Club welcomes you to the 27th Annual Sportsmen's Dinner. We are privileged tonight to honor Bob MacNichol as Calgary's 1982 Sportsman of the Year.

An active soccer, tennis, rugby and track man in his native Australia, Bob settled in the River Park-Altadore area in 1948 and began his long time dedication to amateur athletics in Calgary. Bob concentrated on organizing and coaching community hockey until 1963 when he expanded his coaching role to include soccer. From 1963 to 1980, he served the Calgary Minor Soccer Association as a Director and in 1969 added the additional responsibility of Secretary-Treasurer. In 1964, Bob originated the Calgary Boys' International Labor Day Tournament which continues as a showcase for Calgary minor soccer. In the early 1970's, Bob started the Calgary Minor Referees Association which initiated the refereeing clinics which have become minor soccer's officiating salvation. In 1981, Bob became the Executive Director of the Calgary Minor Soccer Association and at a youthful 66 years of age still referees over 100 soccer games a year, while finding additional time to play squash and tennis.

Bob MacNichol is the major reason there are over 13,000 players registered in Calgary's Minor Soccer Association.

We are also pleased tonight to recognize the outstanding leadership and contributions of Ron Johnson, Keith Kendal, Maurice Lehodey, Rummy Serediuk, Bill Skrastins and Raymond Williams to their respective sports organizations. It is the tireless devotion of these individuals which ensures the continued high quality of amateur sports in the City.

Wayne Harris, Mark Kolodziej, Beryl Paton, Bob Puttick and Andria Rossi have all further distinguished themselves over the past year and are deserving of the athletic awards being received tonight.

Special Achievement Awards this year are presented to the Canadian Ladies Curling Championship rink made up of Susan Seitz (Skip), Judy Erickson (Third), Myrna McKay (Second) and Betty McCracken (Lead) and to the Calgary Olympic Development Association and its chairman, Frank King.

We are also pleased tonight to add Doug Mitchell and Joe Kryczka to the Booster Club's Honor Roll in recognition of their continuing contributions to amateur sports in the City.

The Calgary Booster Club is proud of the Calgarians we honor tonight. We are also very appreciative of the support given by you, our supporters and advertisers, who contribute to the financial success of this evening and allow us to continue to assist amateur athletics within our City.

A final note of thanks is particularly due to the members of the sports media for the coverage they have given to this, Bob MacNichol's night to be honored.

BOB MacNICHOL

**1982
SPORTSMAN
OF THE YEAR**

Bob MacNichol is the Calgary Booster Club's Sportsman of the year for 1982, joining a distinguished group of individuals who have dedicated much of their lives to sports in the City of Calgary. He is a most deserving recipient of this award and the Booster Club is proud to honour him for his tireless dedication to amateur athletics.

Originally from Australia where he played soccer and rugby, Bob moved to Calgary in 1948, settling in the River Park - Altadore community. He became the driving force in the community youth sports activities, organizing and coaching hockey until 1963. Minor Soccer made its debut in Calgary in 1963 and Bob added soccer to his coaching activities, advocating a hard, clean style of play.

MacNichol coached soccer for a number of years and then initiated the Calgary Minor Referees Association in the early 1970's. When Minor Soccer started in 1963, MacNichol volunteered as a Director, a position he held until 1980 when he became the Executive Director of the Calgary Minor Soccer Association. He also held the position of Secretary-Treasurer of the Association from 1969 to 1981.

Bob MacNichol originated, and established the Calgary Boy's International Tournament held every Labour Day weekend in Calgary, a prestigious tournament which began in 1964. The soccer community was saddened in 1981 when Bob lost his wife, Rilla, whom he credits for the major success of himself and Minor Soccer in Calgary.

An active man at the age of 66, Bob plays tennis, squash, and swims regularly. He also referees over 100 games a year.

There are now 13,000 players registered in Calgary Minor Soccer (approximately 580 teams) and another 43 teams competing indoors. Bob MacNichol is the major reason that Soccer has flourished in Calgary.

Bob will join Master of Ceremonies, Ken Newans, guest speaker Brooks Robinson, and others at the Head Table on Monday, March 15, 1982.

SPECIAL ACHIEVEMENT AWARDS

CALGARY OLYMPIC DEVELOPMENT ASSOCIATION

CALGARY

Frank King

Bob Niven

Who first came up with the idea of bidding for the 1988 Olympic Winter Games still remains a mystery. For Bill Nield, then President of the Calgary Booster Club, that was of the least concern as he put the idea before his fellow directors one winter's evening in December of 1978. Little did he realize the impact this seemingly innocent suggestion would ultimately have on those present, and later on, the many dedicated volunteers from the City of Calgary. Nor did two of its directors, Frank King and Bob Niven, realize what they were embarking upon when they willingly offered to look into the feasibility of such an undertaking. What evolved from that meeting was CODA, an organization dedicated to the development of competitive and recreational winter sport in the Calgary area through the staging of the most esteemed sporting event in the world, the Olympic Winter Games. The Calgary Booster Club is proud to have played a part in this most important segment in the history of our city.

THE HISTORY OF THE CALGARY BOOSTER CLUB

The Calgary Booster Club originated from an idea during a get together of a group of sports minded individuals in the Old Club Cafe on eighth avenue east.

Those who attended the first unofficial meeting of the Calgary Booster Club were some rather prominent Calgarians:

Art Smith, Advertising Executive and former M.P.
Pete Egan, (deceased) Manager Palace Theatre
Curly Hunt, President Hunt Real Estate
Harry Cohen, Manager Director General Distributors Limited
Dr. Les A. Maxwell, (deceased) Dentist
Jack Quigley, Insurance Executive
Stu Adams, "Adams Distillers Limited"
Roy Beavers, Owner Club Cafe
Ron Butlin, Business Executive Central Liquidation (Canada) Ltd.
Ernie McCullough, Jr., Maclin Motors
Vere Carmichael, Medical Supply Salesman

The idea generated was very basic - to organize a Club in the City of Calgary of sport enthusiasts to boost amateur sports and sports in general.

This group gathered within its ranks other sports and they in turn moved their location (for coffee) to the old Pump Room in the Petroleum Building on 9 Avenue and 2 Street West where they met once a week and made plans and had discussions relative to their new found interest. The "Calgary Booster Club" which name was decided on early in their organizational stage.

One of the highlights of the Booster Club in the early years was the Sunday evening sports panels that met in the Palace Theatre. In addition, Art Smith and Ron Butlin moderated a radio show on amateur sports on CFAC once a week.

From its inception the ranks of The Calgary Booster Club have been filled with prominent Calgarians, several who served in the capacity of President. In the founding year 1953, Art Smith served as President and he was followed by the likes of Bob Freeze, Ken Moore, Bill Dickie, Ron Butlin, Lou Goodwin, Stu Adams and Doug Mitchell. Every one of these gentlemen devoted countless hours to the promotion of amateur sport and all Calgarians owe them a vote of thanks.

The present Calgary Booster Club is "dedicated to the development of athletic endeavour". It achieves its purpose by three methods:

- (a) Administrative and publicity assistance to organizations putting on athletic events. In this it supplies manpower.
- (b) Consultant service for organizations wishing advice on promotion of their particular sport.
- (c) By making grants to organizations to help such organizations achieve their purpose and benefit their particular sports.

The Calgary Booster Club believes that athletic endeavour in the City of Calgary can be best advanced by the development of enthusiastic, highly trained, dedicated individuals. These people can then sell the value of athletics to our youth. Leadership - in sport - as in business - is the key to success. It is our hope that we can give needed assistance to organized athletic organizations that are interested in and capable of making a definite contribution to the youth of our City.

It is our aim that assistance obtained from the Calgary Booster Club will help encourage, promote and develop athletic endeavour in our City through the development and extension of existing activities and services and the training of personnel. Such training should include courses for lay and professional personnel with a view to increasing the number of qualified leaders and coaches in our community.

Congratulations to Bob MacNichol, Sportsman of the year. Also our special congratulations to Keith Kendal, Coach of the Cowley & Keith Colts as one of this years Honoured Athletic leaders.

To: The Calgary Booster Club

It was about four years ago that the Calgary Booster Club revived the dream that Calgary would host the 1988 Olympic Winter Games. The time was right for Calgary, enough people believed, and the dream is coming true at last!

In less than six years, 1 1/2 billion television viewers will watch as Calgary takes its step forward into Olympic history. The legacy of sports facilities, coaches and officials will serve as a great investment for all Canadians in the future.

The Booster Club should be recognized as the "Sports Club of the Year" for its tremendous contribution to sport and for its vital role in reviving Calgary's Olympic hopes.

Thank you for your outstanding support.

He holds the career records for most putouts by a third baseman, most assists, most chances accepted, highest fielding average, 1,000 or more games, and most years as the fielding leader.

"He was named to THE SPORTING NEWS' All-Star Fielding Team in the A. L. 15 straight years and he was the A. L.'s Most Valuable Player in 1964 when he batted .317, led the league in RBIs with 118 and topped the third basemen in putouts, assists and fielding average. . . .

"There probably never was a third baseman with the fielding wizardry that Robinson put on display for the nation's fans in the 1970 World Series when the Orioles defeated the Reds, four games to one. . . .

"His fielding was not his only contribution to the Orioles' cause. He batted .429 with two homers, tied the record for most hits in a five-game Series with nine and was named the most valuable player.

"Best of all, Robinson's character is commensurate with the great ability that he had shown as a player. In a sports world that is replete with commercialism, selfishness and greed, Brooks stands out as a gentleman personified. . . .

"In 1972, a special committee of writers, broadcasters and baseball officials named Robinson the player who best typified the game on and off the field. The committee cited his awareness of the problems of the unfortunate, his involvement in the drug abuse and prevention program, his visits to hospitals and his activities with youngsters in underprivileged neighborhoods. That's the kind of man Robinson is. . . ."
